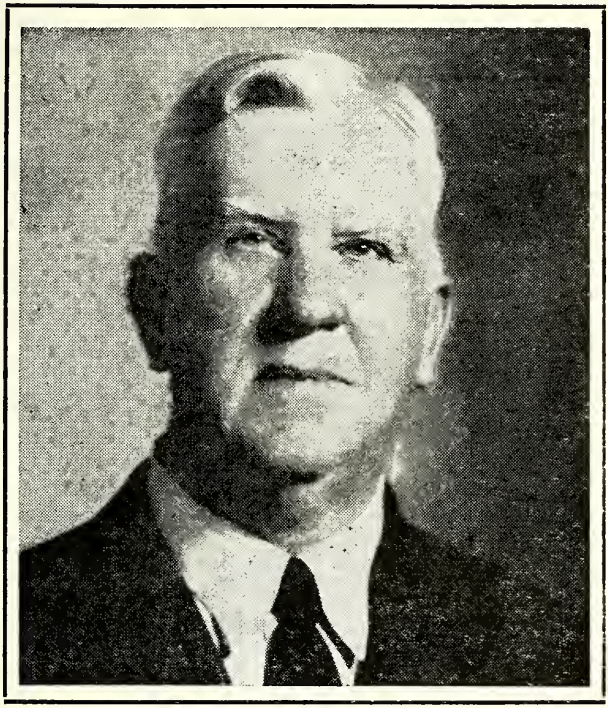
MEMORIAL ISSUE OF THE ATLANTIC ASSOCIATIONAL MINUTES OF 1952



In loving memory of Hon. M. Leslie Davis we dedicate the 1952 Atlantic Associational Minutes. He was the beloved and honored moderator of the Association for thirty-nine years. As a presiding officer, he stood as a peer; unequalled in his knowledge as a parliamentarian, unmatched in his ability to guide the association in its deliberations and unexcelled in his devotion to the cause of Christ represented by the churches of the association.

Brother Davis was one of the most outstanding church Historians in the state of North Carolina. From the time he was first elected moderator of the Old Neuse-Atlantic Association until the time of death he had in his files the minutes of each year. He was a great lover of books; and had acquired through the years one of the best religious Libraries to be found.

The 69th Annual Session met in the First Baptist Church of Morehead City on the 30-31 of October. Although he had been in ill health for some time, he presided at both sessions; and was re-elected for the 40th time as moderator. The following day after the meeting of the association he was called to his heavenly reward. His was a work well done, a race well run and a crown well won.

American Bible Society

Most of the books in the world are dead. They had their little day and ceased to be. Once each one of them throbbed in the soul of an eager author who recorded his thoughts. The manuscript was sold. The presses whirred, reviewers wrote, "The best book on the subject yet written." The market was brisk. Edition followed edition. For a year, ten years, a generation, the book was read. Then one day the second-hand book-store proprietor said "I'll try to find you a copy" but he never did.

How much like a graveyard is many a library! One scans the inscriptions on the headstones of the one and the titles on the bindings of the other. "Quaint, aren't they?"—and that is all.

Granted that this is not true of all books; that some live on to charm with their beauty, to enrich with their timelessness, to ennoble with their wisdom and to inform with their profundity; yet the changes in language through the centuries becloud the effectiveness of Homer, Shakespeare, Danten, Goethe. Largely unknown beyond the lands of their origin and except in scholarly circles, elsewhere their influence upon current affairs is practically nil.

In bold contrast stands one Book that is alive. It is older than any other. It is larger than most. It was 1,600 years in the writing. At least fifty different persons contributed to its pages. Yet when printing was invented 500 years ago, it was the first book printed, has never been off the presses of the world through these five centuries and is more popular today than ever. Over 20,000,000 copies of the Bible or parts thereof were distributed in 1951, and the publishers are preparing for larger sales in 1952.

Since its organization in the days of our nation's infancy the American Bible Society has devoted itself to one single purpose—that of matching its dedicated skills against the problems of supplying the nation and the world with copies of this Living Book in the Languages that men require, in the forms suitable to their needs and at prices they can afford, with no purpose of profit in its selling and with a record of having freely given millions of copies entirely without cost where the need required it. In its 136 years of service the Society has distributed over 415,000,000 copies of the scriptures. Its work has expanded until it now operates not only from fifteen centers in the United States but from a like number of offices abroad, serving the people of about fifty nations. Its budget has grown from a few thousand dollars in 1816 to over three million in 1952, and even yet it is unable to meet many of the demands for more and more copies of God's Word that come in from Japan, the Philippines, Latin America and elsewhere.

WHY IT MUST EXPAND

Because the one hope of our fear-wrecked, sin-ridden world is the gospel of Jesus Christ.

Because the great masses of the people in the world do not have the Bible, do not even know of it;

Because over vast areas of the world the Scriptures cannot be secured except from an agent of the Bible Societies or a Christian missionary supplied by a Bible Society;

Because, in present world conditions, the American Bible Society must provide hundreds and hundreds of thousands of Bibles and Testaments needed by churches and people in the liberated areas of Europe and Asia.

Sunday Schools

Our Sunday School theme for the past year has been "The Sunday School as the teaching agency of the church," with special emphasis on (1) an increased enrollment, (2) enlisting the whole family in Sunday School, (3) a Vacation Bible School in each Sunday School. Let us take these items one by one and observe the progress.

(1) The reports of our various church clerks will clearly show that we have made substantial gains in attendance, in most cases far exceeding the goals which were set at the beginning of the year. For instance, Kellum had an increase of 33 1/3%, North Jacksonville 25%, Trenton 20%, Swansboro 14%, and so on down the line, with some of our other schools showing equal progress. Mission schools were established at Newport and Harkers Island, both of which are doing well. In this connection, special commendation should be given to Rev. M. R. Haire of the Davis Church for most of the work required to put these in operation.

(2) Progress in enlisting the whole family in Sunday School can be noted with greater accuracy on the local level. Let us work even harder to enlist these families this coming year.

(3) An Association-wide Bible School clinic was held at the First Baptist Church in New Bern with 18 churches represented, at which time special instructions in conducting our Bible Schools were presented by Dr. L. L. Morgan and his staff. Bible Schools were held in most of our churches, and good attendance was reported. Bethlehem had an enrollment of 95, which is considered outstanding for a country church. Morehead City First Baptist reported 280, and others reported equally as well.

In the Jones-Onslow group, led by Mrs. J. M. Barrow, and the Carteret group with the writer as chairman, meetings were held each fifth Sunday afternoon. For the most part, the programs were timely and informative, and some cases inspirational. Special note should be made here of the participation of our young people in these programs; they contribute to the greatest degree when they are given the proper opportunity.

"Take your whole family to Sunday School," is the theme suggested by the Sunday School board for this year, and they have suggested a program for us which is very ambitious. 500,000 net increase, 3,000 new Sunday Schools, 3,000 net gain in number of churches reporting training, 1,000 new Vacation Bible Schools, an enriched Sunday morning session, Vacation Bible School for two weeks instead of one, as formerly, a Bible Study week in January, Bible books in the Sunday School Training Course, Daily family Bible study, and Transfer Church Membership campaign, (recommended for September, but should be a year round project.)

In our individual churches we should again, this year, strive for an increase of 15 for every hundred now enrolled, and we further recommend an effort to put our literature into the hands of those who cannot get to Sunday School; have periodic meetings of our workers; enlist the services of our young people in the active work of our organization, give them jobs to do. Begin a course of training of all those who are 15 years or older, let them work, not necessarily full time, but let them have an active part in the teaching of others. You'll be surprised at the talent you will find when you give it the chance to be shown. Form new classes, thereby giving more people the chance to participate in the growth of the church.

The challenge is great, but the performance of the task is possible if we proceed along the line which was set down twenty centuries ago when Jesus said: "Go, ye."

Baptist Hospital

Our Baptist Hospital has become a haven of hope for thousands of sick persons each year throughout North Carolina. It provides the highest type medical service for sick of all classes. It is our means of carrying on the healing ministry of Jesus.

The North Carolina Baptist Hospital was incorporated in 1922, and received its first patient on May 28, 1923, since that time it has grown both in size and favor with God and man.

Last year the hospital admitted 10,491 persons as bed patients, and rendered 92,177 days of patient care. In the out patient department there were 48,846 visits made in 1951.

Many of the people that go to the Baptist Hospital are people with little or no money. The Mother's Day offerings are used to pay the expense of these patients. We are happy to report that the Mother's Day offering for 1951 totaled $157,130.88. This is above the 1950 figure, yet this is not sufficient to care for the many who can not provide for themselves.

The School of Nursing is doing a fine job of training girls for the important profession of caring for the sick. The School of Medicine is likewise carrying on a great work.

The Department of Religion is growing and becoming more effective as a part of the life and work of the hospital. The Department of Religion seeks through its ministry to help make the Baptist Hospital a genuinely Christian institution of healing and teaching.

Cooperative Program and Missions

Let us draw a picture in our minds today, if we can, of 3,000 churches and 700,000 members working together in our Baptist State Convention Program. Someone will ask, of course, "Working together in what?" We are working together in the Cause of our Christ. Jesus called His disciples as individuals but taught them as a group and sent them out as a group. They were to work together in a united effort to promote His Kingdom.

There is another question, and rightly so, that should be asked at this point. "How are we to work together?" Jesus gives us the answer to this question in the first chapter of Mark's Gospel. There we see His program of teaching, preaching, healing and missions. The Baptist State Convention of North Carolina in considering His program of teaching, thinks in terms of the Sunday Schools, Training Unions, Student Unions and Summer Assemblies. This program of training need not be confused with our program of Christian education. In addition to the training activities carried on through our churches, we have seven Baptist colleges in North Carolina. These colleges were built and are maintained by our Baptist State Convention for the purpose of educating our sons and daughters to serve our denomination and our fellow-man.

His program of preaching may be summed up in what we term "evangelism." The subject of healing is possibly expressed in terms of the Baptist Hospital and missions may be considered in our extensive program of pastoral aid, rural church program, promotion of new churches, aid to silent people, aid to displaced persons, work in sanatoriums and correctional institutions and work with other races. We have in addition to these our associational program of missions and in many cases city mission programs; and there is the work of the local church establishing missions.

As we consider this entire program, some individuals and some churches get the feeling that we are undertaking too much, that too much is included; that it isn't necessary to do all of these things; but we will have to remember that Jesus said "The work that I do shall ye do and greater works than I have done because I must go to the Father." Let us accept the challenge of the greater work which we should do and unite our efforts in one complete co-operative purpose—that His Kingdom may come and that His Will may be done on earth as it is in Heaven.

Chas. E. Parker

Christian Education

Every healthy minded person, who pauses for a moment of serious meditation, must conclude that we are living in a tense age. That healthy minded person must conclude, also, that we are living in a day of great opportunity. For it has been in times when men were hard pressed, that great opportunities have come to them; and when they grasped them and held them and faithfully used them, they were victorious over the forces which were working for man's destruction. If we reject or neglect our day of opportunity, the tenseness of this age of materialism and commercialism, in which we are living, will strangle us in its powerful and merciless grip.

One of the great and outstanding needs which faces us today, as a group of Christians and as Baptists, is Christian Education. Surely, we have never faced this great need for Christian Education, with greater opportunity to meet the need, than the opportunity with which we face it today. Most of us are in position, and delight to give, our children more of the material things they desire; but are we concerned enough about their needs which are spiritual and eternal? We may be planning to leave our children an inheritance of earthly things; but are we concerned enough about leaving to them a heritage of spiritual influence, example, ideals and training? Christian education is a means by which they may receive, enjoy and build more intelligently on, their Christian heritage.

Our Lord has given to us His program by which we are to conquer the forces of sin and save the world from sin. Here is His program. "And Jesus came and said to them, 'All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I have commanded you; and lo, I am with you always, to the end of the age'." (Matt. 28:18-20, R.S.V.)

As we examine this program of our Lord three things stand out before us. Look at them. First, the authority of Jesus; second, the command of Jesus; and third, the promise of Jesus. Look again and see that it is upon His authority that our Lord gives us the command to do three things: make disciples, baptize them, and teach them. He concluded the program with the unfailing promise of His presence. Notice, if you will, that the command to teach was given just as much upon His authority as was His command to make disciples and to baptize them. Notice also, that the promise was not given until He had completed the statement of His program with the command to teach. So then our Lord's program, as He gave it to us, assures success and victory by His authority, power, and presence. What then can prevent our success in carrying out His full program, except the lack of vision? The Bible tells us that where there is no vision the people perish.

We have made progress in Christian eduation; but with our present opportunities, and if we will allow ourselves to become awake to the present urgent needs and will give ourselves whole heartedly

to our Lord's whole program, we shall be making much greater progress in the immediate future. The Nine-year Program is very timely set for such an awakening and for such whole hearted commitment of Baptists to the full program of our Lord. Baptists of North Carolina have great assets, for carrying out the full program of our Lord, in their two senior colleges: Wake Forest and Meredith; and the five junior colleges: Mars Hill, Campbell, Gardner-Webb, Wingate and Chowan; and the Baptist Hospital School of Nursing. When the goal for the present program of removal and enlargement of Wake Forest is reached in 1955, the present Wake Forest will then be carrying out, more fully, the purpose for which it was originally founded, the education and training of ministers. We feel that there is very bright prospect for a great institution of its kind at Wake Forest, known as Southeastern Theological Seminary. With this arrangement of our Christian schools, coming together with the Nine-year program, Christian education of North Carolina Baptists should be greatly enhanced.

There are enrolled in these Baptist institutions of North Carolina, 5,000 students. Of this number 500 are being trained for full time work in our denominational life after graduation. Employed in the administration and operation of these colleges are 300 trained men and women. The Trustees of these colleges, named by the Baptist State Convention, hold the title to their physical properties. The net worth of these colleges is more than $15,000,000, with an annual operating expenditure of $3,000,000. Through the Cooperative Program North Carolina Baptists contribute annually to their operating cost $400,000. In endowment funds they have a total of $4,500,000, not including the $11,000,000 provided in the Smith-Reynolds Foundation for Wake Forest College. These colleges have available, for making loans to worthy students, $220,000, a greater part of which is not being used at present.

Not let us turn for a glance at the Report of the Education Commission of the Southern Baptist Convention in its Ninety-fifth Annual Session at Miami, Florida, May 16, 1952, and I quote. "In the 1951-52 Academic Year... The percentage of fully accredited Southern Baptist colleges rose to and surpassed the average of the colleges of the United States. Baylor University announced programs of advanced study leading to the doctorate in the fields of English literature, American literature, chemistry and education, becoming the first Southern Baptist educational institution to offer graduate work at this level outside of the field of theology."

As we examine enrollment trends we quote again the Education Commission. "Enrollments for 1951-52 compare with those of 1950-51 as follows: In the seminaries, an increase of approximately 10 per cent; in the senior colleges and universities, a decrease of 10 per cent; in the junior colleges a decrease of 7 per cent; and in the academies and Bible schools an increase of 11 per cent. The decrease for the senior and junior colleges combined, 9.3 per cent compares very favorably with the national average decrease in college enrollment estimated at from 8 to 12 per cent." In the last college year there were 47,626 students enrolled in Southern Baptist Colleges and seminaries. In our North Carolina Baptist colleges there were almost 10 per cent of this total number enrolled.

Attention is called to the interesting fact that these colleges and seminaries train practically all our missionaries. Out of 827 working under our Foreign Mission Board in January of this year there are 806 who attended a Southern Baptist college. It is very evident that we must depend on our Christian schools for trained leaders and workers. If we must depend on them, then we must of necessity support them. To emphasize the necessity to support our Christian

schools I quote from the October issue of the Baptist Program. "The University of California has more than 2,200 members on its faculty. The Ministerial Association of Berkeley, California, made this astounding revelation: 'Of the more than 2,200 faculty members of the University not as many as twenty-seven were active in any church.'"

As we close this report let us take a glance at Christian education trends in the Atlantic Association, from the view point of high school graduates in our Baptist churches attending college. In the statistics which I have gathered twelve high schools, within the bounds of the Atlantic Association, graduated 535 students last year. 75 of these graduates are in the Baptist churches of this association. Of these 75 graduates, 25 plan to attend a Baptist college, 21 plan to attend some other college, and 28 plan to attend no college. From a percentage basis Baptist graduates were 14 per cent of the total graduates of the twelve high schools. 33.3 per cent of the 75 Baptist graduates plan to go to a Baptist college. 28 per cent plan to go to some other college. 37.3 per cent plan to go to no college. After the percentages just given three of the totals given are slightly increased, which I shall explain without taking the space to write the explanation in the report. (Verbal explanation)

So there were actually 80 baptist graduates, with 33 going to Baptist colleges, 24 going to other colleges, and 28 going to no college.

Orphanage Report

No institution is nearer and dearer to the hearts of North Carolina Baptists than our two homes for children, at Kinston and Thomasville. The history of these institutions is as thrilling as a romance, and as beautiful as a morning dream. A close check on the record for sixty-seven years, proves the wisdom of men and the favor of God relative to this work. Certainly our orphanage has proven conclusively that christian training overcomes what is lacking in heritage, breeding and background.

During the past year these beloved institutions have cared for a total of 725 children. Due to the benefaction of the Idol Wills this year has seen $100,000 placed in endowment, a church, infirmary and print shop building under construction. In addition to all this, a new cottage for girls has been completed, the first in more than twelve years. Furthermore, the I. G. Greer Recreation Center is now under construction, and greatly needed.

We humbly thank God for these facilities for the care of orphan children.

Home for Aging

Operation of Resthaven was begun March 16, 1951. Soon after the opening, it was filled to capacity, twenty residents. When the news spread of the beginning, applications began to accumulate rapidly. To date, there have been close to 500 inquiries. Had there been rooms available, and all applicants could have made financial arrangement, our Home would have had 200 residents instead of only twenty at present.

There is encouraging prospect of getting the top floor of the present building completed, which will provide space for fifteen additional residents. The cost of this enlargement project has been

underwritten by a business man of Winston-Salem, who is not a Baptist. This same friend has already donated a television set, and has concreted the basement of the Home.

Our residents range in age from 64 to 92 years, and come from widely scattered sections of our State—Franklin to Elizabeth City. All rejoice in the opportunity to be in the Home. Here are some of their statements:

"I like this good Christian Home and all the family. I would not exchange it for any other in all the world."—Mrs. J. L. Smith, coming from Franklin.

"This 'more than we expected' about this Home makes us all hope and pray that more men and women may come to enjoy its many blessings."—Miss Ella Moffett, coming from Southern Pines.

"I never thought I would be so happy in my last years of life."—John Holt, age 92, coming from Wilson Mills.

In spite of the fact that Resthaven did not receive financial assistance last year from the Baptist State Convention (except a loan which was repaid), it was operated clear of a deficit. How did this happen? By the Lord laying our needs upon the hearts of friends and causing them to respond. Of course, the Home was compelled to charge the cost of keep from the residents who came on the monthly-pay plan. The income from this source, together with that coming from residents giving property or cash for their maintenance, plus donations by churches and auxiliary organizations and friends, enabled the Home to pay its way and to accumulate assets in excess of $100,000.00.

Beginning the year 1952, with the new Nine Year Program, our Home receives three-fourths of 1% of the funds to be divided. From this source has come less than $500.00 per month since January of this year. The Home is estimated to receive a total of approximately $500,000.00 in NINE YEARS. It is apparent, therefore, that slow provision for enlarged facilities will be made to accommodate the hundreds of aging people who want to come to our Home, unless funds come from other sources than our denominational program as it now operates.

Our Home presents a great challenge to North Carolina Baptists to provide adequate facilities. There are probably 100,000 people in our State past 65 years of age, and a large number of these are of Baptist faith. We must make provision as time and finances permit for these aging Baptists. Since Baptists of our State now number more than 700,000 in membership, we are well able to make such provision. If every Baptist would give an average of $1.00 to our Home in one year, we could raise $700,000.00 and not one person would suffer hardship. As soon as a practical and adequate plan of support can be agreed upon, it is reasonable to expect that our Baptist Home will be worthily supported.

Many suggestions have been made as to the best plan of supporting our Home. Among them are: (1) Fifth Sunday offerings through the Sunday schools, as the Virginia Baptist Home plan; (2) special day offering, as the Mother's Day plan for our Baptist Hospital; and (3) putting the Home in the local church budget, and appealing to the churches that have no budget for at least one special offering a year.

Either of these plans, supplemented by such special gifts as may come from individuals and corporations, and provision made in wills, would enable the Home to make reasonable progress, and thus enlarge our facilities on the pay-as-you-go plan.

We are closing our report with a statement made by a prominent furniture manufacturer, Mr. B. C. Philpott, of Lexington, N. C.

> "I consider this one of the most important forward steps the Baptists of North Carolina have taken in a long time, because it is indeed a great move and one that has been neglected all too long.
>
> Mrs. Philpott and I want to have a part in this fine undertaking, and herewith you will find my check for one thousand ($1,000.00) dollars, which we desire used as a memorial to our son, B. C. Philpott, Jr.
>
> May the Lord continue to bless you in such a noble work."

"Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." (Matthew 25:40).

BIBLICAL RECORDER REPORT

The Biblical Recorder, our North Carolina Baptist Journal, which has been in continuous circulation for more than a century, has as its aim, the promotion of Bible study, sound religious literature, the support of our denominational work at home and in all the world, and information of state and world wide missions. It covers the fields of Sunday school, Training unions, Womans Missionary Union, and Brotherhood.

Information builds, inspires, promotes the cause of Christ and lifts ideals. To be an efficient christian one must be an informed person. There has been a constant effort to make the Recorder a more attractive and readable paper which every member of the family will enjoy.

Our pastors and leaders should encourage their people to read the Recorder. People are reading literature of many kinds, and much of which is being read does not build either homes, churches or nations. Let's get the Recorder in our church homes. Subscriptions are promoted by the every-family-plan in which the church provides the Recorder for every family at $1.50 per year. Or a club of five subscribers for each one hundred members at $2.00 per year. Clubs of three as a minimum for memberships of less than a hundred at $2.00 per year. Any single subscription may be had at $2.50 per year.

Social Service — Temperance

These are strange times indeed. In spite of our high claims that we are a Christian nation the heart of America is pagan. This report is intended to awaken us to a consciousness of the problems facing us today, many of which have not always been the serious concern of the churches. If the witness of the churches is to be valid and revelent, it must speak to man's condition where he is found politically, economically, socially.

GAMBLING: It is the opinion of many that a majority of the people of North Carolina are opposed to legalized gambling, therefore such antiquated procedures and vapid courtesies of the General Assembly as make possible the continued thwarting of the will of the people should be eliminated. Our Baptist witness on gambling through the years has fallen on the ears of an indifferent people.

The Kefauver Committee revealed to an astonished public what the churches have always known that gambling of whatever description spells corruption, and legalized gambling inevitably leads to the triple unholy alliance of political leaders, law enforcement officers and the underworld of crime. We would recommend to the churches of the Association that they resist in season and out every expression of the gambling spirit.

ALCOHOLIC BEVERAGES: Alcohol has indeed become a disease in the body politic of our nation with per capita drinking increasing each year. If history is to be trusted, this way lies madness and, unless the trend is checked our country has entered upon its decline and fall. For the Christian the problem of alcohol is first an individual problem with each man deciding for himself whether he will be a part of the disease or a part of its cure. The Christian also recognizes alcoholism as a social problem and public evil which must be attacked by law, by public sanctions and by education. We deplore the unrestrained advertisement of alcoholic beverages over radio and television, in newspaper and magazine. Our people should support without stint the Allied Church League and other organizations such as the National Temperance and Prohibition Council in their good fight against the liquor traffic. We recommend to our churches the excellent films and literature now available dealing intelligently and forcefully with the problems of alcohol.

NARCOTICS: The peddlers of drugs are a part of an international ring and are tightly organized to carry on their vicious trade everywhere. Their motive is profit without regard for the cost in human life and character. The drug traffic is degrading, corrupting, and dehumanizing. We recommend to the churches that they carry on an intelligent. realistic program of education against the use of narcotics in any form.

THE HOME: We often hear it said that marriages are made in heaven. While this may or may not be true, Marriage was. We find in reading the second chapter of the first book of the Bible that marriage originated in the mind of God and was the first institution He established among men. Christ interpreted this to mean that marriage is an indissoluble union and that what God had himself joined together let no man put asunder. Our Baptist people have without making marriage a sacrement, borne a united witness to the intrinsic sacredness of the relationship. Today however the divorce mills are grinding exceedingly fast. Approximately one out of every four marriages ends in divorce. Our courts allow twenty-two grounds for divorce with numerous related causes. Christians are not only concerned about divorces per se but also about the fact that family disorganization that goes with divorce is one of the chief social problems, particularly with drunkenness, various forms of crime and with dependency. Of the three D's making up the rolls of the orphanages, divorce stands at the top. The other two are disease and death.

While the following recommendations will not completely solve all the problems arising from hasty and unwise marriages we believe if followed they will help. (1) That our pastors find the time, develop the insight and master the technique of counseling on family relations before and after marriage. (2) That our churches hold classes, forums and conferences on courtship, marriage and family relations. Place the best books available in these fields on the shelves of their libraries; and plan a week in the year during which the entire church might focus its attention upon the family.

There are other problems and realities of our day which are not covered in this report because of lack of time and space. Our people are urged however to follow the teachings of the great Galilean in handling all problems and in facing the realities of life.

RESOLUTIONS

The Anti-dog Race Gambling Resolution presented by Dr. Chas. A. Leonard has four parts. First, to influence the N. C. General Assembly to enact Anti-Gambling Laws; Second, to ask the Authorities at Cherry Point and Camp LeJeune to declare Race Tracks out of bounds for armed services personnel; Third, to write the Governor and Lt. Governor to influence anti-race track legislation; and Fourth, to ask the Baptist State Convention to take sympathetic action on this subject.

Your Committee recommends the adoption of the Resolution, but we call attention to the fact that it provides no means of implimenting the action. We, therefore, recommend that if the Resolution is adoped that the Moderator appoint a committee of three to bring about the results desired. And further recommend that this committee endeavor to enlist the influence and action of other Religious, Civic, Educational and public groups for the same purpose, and that the Press and Radio be induced to lend their facilities to the same cause.

RESOLUTION CONCERNING OUR ENTERTAINMENT

We recommend that a Rising Vote of Thanks be given to the First Baptist Church of Morehead City, To The Pastor, Dr. John H. Bunn, and to the Ladies of the Church for their Cordial Reception and gracious Hospitality in entertaining the 1952 Session of The Atlantic Baptist Association.

B. D. Gray, U. E. Swann, D. E. Hill

WHEREAS the dog-race gambling operated in Carteret County is contrary to legitimate business and fosters idleness and the getting or something for nothing; encourages the very corruption which our national Government and others are seeking to destroy; is ruining the good name of this section of our State, is discouraging people from coming here for recreation or residence, and brings contempt upon the city which sponsors the gambling for operation of its government; and was inaugurated by certain politicians for material gain against the wishes of the citizens of Carteret County; and

WHEREAS this gambling is destroying the morals of men and women and takes from the support of families in our State tens of thousands of dollars for gambling syndicates and others in other states and encourages hundreds of our soldier boys now in the Marine Air Base at Cherry Point nearby to gamble at the race track, thus throwing away thousands of dollars which should be sent to their families back at home; and

WHEREAS this dog-race gambling is not only a disgrace to our community and state but also to a nation that was founded by God-fearing men, and, above all, is highly displeasing to Almighty God, therefore be it

RESOLVED that (1) we urge the General Assembly of North Carolina to enact laws forbidding race-track and other gambling in our fair State;

That (2) we beg the officers in charge at the Cherry Point and LeJeune Marine Bases to place the gambling grounds off bounds to all Marine personnel;

That (3) we ask Christian people throughout North Carolina to write to the Governor and especially to the Lieutenant-Governor and members of the General Assembly urging that laws be enacted without delay to remove this menace from our State, while we pray God's help in this matter;

That (4) we ask the North Carolina Baptist State Convention to take action against this gambling, that we request newspapers throughout the State to publish these resolutions and the editors write editorials against such gambling, that a committee of three be appointed by the moderator of our Association to visit the Lieutenant-Governor regarding this matter, and that this committee call on the commanding generals of Cherry Point and Camp LeJeune to urge them to place the race tracks off bounds.

MEMORIALS

We pause in this quiet hour to give expression to our gratitude to God for His love and mercy; and in loving memory of those whom God has called from our number since last we met, as a functioning body, in interest of the advancement of his kingdom.

God is loving and merciful in dealing with us. He does not let us know, beforehand, just when the separation and sorrow are coming to us; but He leads us tenderly and lovingly, in His abundant grace, to that sacred hour. Then tenderly He eases them from us into the great, and yet very near, "Beyond", where pain and sorrow never come; and where peace and joy forever abide. He abides with us: graciously reconciling us to His will; and strengthening our faith and brightening our hope, as we hear Him say, "I am the resurrection, and the life; he that believeth on me, though he die, yet shall he live; and whosoever Liveth and believeth on me shall never die." (John 11:25 A. S. V.) with these words comes a gleam of light out of eternity, piercing and scattering the darkness, and bringing assurance to our hearts

I do not have at hand the names of all those whom God has called from our number, to their reward, during the year which has just closed. I think it is fitting to call the names of three who were leaders among us. I shall name them in the order of their years of service among us; and in the order of the time of their call to their reward by our Heavenly Father.

Brother M. Leslie Davis, beloved moderator, over a period of thirty-nine years, began his service in this capacity in the Neuse-Atlantic Association. After the division of the Neuse-Atlantic he served as Moderator of the Atlantic Association, with the exception of one year, until his death. Although ill in health he presided over both sessions of the Association which met in Morehead City, Oct. 30–31, 1952, and was re-elected for the fortieth year. On November 1, 1952, the day following the close of the Association, God called him to his reward.

Brother Joseph L. Hodges became Pastor of Tabernacle Church, New Bern, December 1921, serving as Pastor over a period of almost thirty-one Years. In this ministry God blessed both the church and the Pastor, making them fruitful in His kingdom work. On November 2, 1952, at evening while in his pulpit giving to his beloved congregation his final message from God's word, he received the summons and answered God's call, and went from his pulpit to his reward.

Brother Winfrey Davis was with us only a few years; but in these brief years he became greatly endeared to the people of the Atlantic Association. Brother Davis came to Beaufort Church, as pastor, from Mount Tabor Church, Tabor City, North Carolina. His work at Beaufort was outstanding. He lead his people in the building of a new and beautiful house of worship. On account of ill health he resigned his pastorate at Beaufort, December 31, 1952. On February 24, 1953, he answered God's call to his reward.

All these beloved servants of our Lord, including those not named here, at God's call, have laid down their tasks. For them the sun is set and the day is done; and we linger in the silence of the beautiful after-glow; and in the solemnity of this sacred, silent "Eventide," God lights the vista for us to the borderland of eternity; out of which comes the soothing message of God, saying, "From henceforth blessed are the dead who die in the Lord: even so saith the Spirit; for they rest from their labors." (Rev. 14:13).

H. B. Hines

Report of The Promotion Executive Committee— Atlantic Baptist Association

At the last session of the Atlantic Baptist Association the Promotion Executive Committee was authorized to work out the details necessary to, and to find and employ an Associational Missionary at the earliest possible date.

In carrying out the wishes of the Association the Committee met a number of times, working out the details including a budget necessary to finance the program. Rev. Guthrie Colvard, pastor of Clear Creek Baptist Church was contacted and invited to take over the work. He accepted the call and began his work on March 1, 1953. Brother Colvard and his family have endeared themselves to all with whom they have come in contact, and the wisdom of his selection has been proven by the excellent work done in the Association.

Cooperative Program Report

Sometimes facts are awfully dull but they are proof, nevertheless, of what we are doing, whether good or bad. In the case of the Cooperative Program of the North Carolina Baptist State Convention, they are good.

Gifts through the Cooperative Program have increased from $791,734.10 in 1940 to $4,468,874.00 in 1952. It is believed that when the 1953 totals are in, the amount will approximate 5,000,000. If we break this down it looks something like this, fifty per-cent of it goes to south-wide objects. The amount that is kept in the State is used to promote State Missions, Christian Education and benevolences.

State Missions includes Promotion with Earl L. Bradley as Secretary and J. C. Pipes as Associate Secretary, Associational Missionaries, the Baptist Brotherhood with Horace Easom serving as Secretary. Dr. E. L. Spivey serves as assistant to Secretary Huggins with general supervision of the State Mission activities. Also included in State Mission expenditures are Missionary Pastoral Assistance and Church Extension. The Department of Evangelism is under the direction of Dr. J. C. Canipe. Part of our work includes the General Baptist State Convention (colored), work with the Silent people, work at sanatorium and Samarcand, Schools for Ministers and Deacons, Summer Assemblies, the Allied Church League and the Department of Radio and Visual Education. Brother L. L. Morgan, Secretary of the Sunday School Department, and Brother Jimmy Morgan, Secretary of Training Union Department, receive their support from State Missions, along with James W. Ray, Secretary of Student Works. Added to these in recent years, we have the Rural Church Department. Dr. Henry E. Walden, Jr., is Secretary.

As we continue to look at the objects in our Baptist State Convention that receive support from our State Mission gifts, under the heading of Social Service, we have the North Carolina Baptist Hospital, the Baptist Orphanage of North Carolina and North Carolina Baptist Homes.

Last but by no means least, is our Program of Christian Education. Included in this program of Education are seven colleges, two senior colleges, Wake Forest and Meredith, and five Junior colleges, Chowan, Campbell, Wingate, Gardner-Webb and Mars Hill. We have enrolled in these seven colleges more than 5,000 students. For the most part they are our own Baptist boys and girls going back into the churches of North Carolina to witness, either for or against our Program of Kingdom Expansion.

This brief summary of our Cooperative Program should inspire our 3,100 Baptist churches with their 740,000 members to greater Kingdom activities.

Charles E. Parker.

North Carolina Baptist Homes for Aging

The youngest member of our Baptist family of institutions, the North Carolina Baptist Homes, Inc., has had the best year since it began operating, March 16, 1951.

Resthaven with space for twenty residents, has been filled to capacity. The number of inquiries for rooms has increased into the hundreds.

The Home received its best financial support. The share received from the Nine Year Program (1952) was $14,062.80; our first Special Day offering, February 15, exceeded $52,000; and from individuals, churches, and auxiliary organizations we have received $12,380.33, as of August 1st.

The response to the first Special Day offering for the Home was most encouraging. More than half of our 3055 Baptist churches responded. About seventy-five per cent of the amount came from the smaller churches.

Considering the short time our Home has been operating (2 years), and the fact that this was the first opportunity to appeal to our churches for a special offering, all of us should be encouraged by the response. Our next Special Day offering, February 21, 1954, should amount to $100,000.

On June 18, this year, property was purchased for a Branch Home at Albemarle. This property, consisting of a vacated hospital building and a nurses' home building and nearly three acres of land, was purchased for $25,000. It will cost an equal amount to renovate the property. Even so, it is well worth twice the amount invested. Thus, we can care for 60 residents—20 at Resthaven, Winston-Salem; and 40 at the Albemarle Home.

At the time of purchase, it was hoped that the branch home would be ready for operation by October 1, this year.

The general health of the residents has been exceptionally good, considering the range of their ages, 66 to 93. There has been only one death this year. The spirit and the general attitude of the residents have been most satisfactory.

There are many evidences of increasing interest in our Homes. Pastors, conducting worship services, have brought delegations from their churches to share the inspiration of worship with our residents. Auxiliary and Sunday School groups have frequently visited us to conduct devotional services. Gifts of supplies and cash are often received from these various organizations.

Plans for the future enlargement are encouraging. With a general Special Day offering in February, 1954, and other special gifts from individuals and corporations, we should be ready to begin construction of our administration building, which would give us room for fifty additional residents, and making our total capacity 110 residents.

Since North Carolina Baptist now number more than 700,000 members, with thousands of our constituency now over 65 years of age, we should keep in mind the great number of our elderly brethren who need a home to provide security, comfort, congeniality, and a Christian ministry. Our North Carolina Baptits are able to meet the challenge to make adequate provision for the aging, and as "laborers together with God", we can meet it.

"Cast me not off in the time of old age; forsake me not when my strength faileth"—Psalms 71:9.

Superintendent Hayes requests that a representative for the Baptist Homes be elected at each Association.

W. M. U. Report of Atlantic Association

As statistics are presented in this report that is always brought to you annually, we want to remember that behind these figures are individuals who have given of their time, energy, and means so that the gospel might be proclaimed "Unto the uttermost parts". Appreciation is felt for those who have labored and cooperated, but to our heavenly father we owe our greatest debt of gratitude.

During the past year definite progress has been made in our work. More Missionary Societies observed the Seasons of Prayer. More women were reported as giving regularly through the Cooperative Program. Growth in the department of Mission Study, with Mrs. E. L. Davis, chairman; department of Community Missions, Mrs. J. L. Hodges, chairman; and department of Stewardship, Mrs. H. B. Hines, chairman; is recorded by these.

The annual associational meeting was an important part of the work of the Spring. We met at New Bern First Church. Miss Olive Lawton, of Formosa, was our Missionary guest. Mrs. C. Gordon Maddrey, State W. M. U. President was our guest, representing the state office.

Enlistment continues to be a major need. We have 36 churches in the Atlantic Association. Five of these have no W. M. S. Ten have no young people's organizations. This situation presents a constant challenge to us so that more women and young people may be drawn into active missionary endeavor.

There are still far too few full-graded Unions. The total of seven as compared with thirty-one Woman's Missionary Societies, reveals a wide area of need in fostering young people's organizations. Adult societies must be challenged with the opportunities of training youth of all ages in Missions. Miss Jane Marshall Jenkins continues to lead our young people of this association in a consecrated, magnificent way.

Likewise, there is serious need of enlisting the active participation of all members in all phases of the work. This would result in more A-1 Societies. A-1 rating means a well-balanced program of activities in the local organization. Right here we need to place special attention during the new year.

Another need is that of securing more readers of the four excellent W. M. U. Magazines and the Biblical Recorder.

Compare the following statistics when you receive your minutes of this meeting with those of last year.

Associational Brotherhood Report

During the Associational year we have has two associational Brotherhood meetings. The first was held at the First Baptist Church, New Bern, at which approximately 150 men were in attendance. At this meeting Mr. Horace Easom, State Brotherhood Secretary, was our guest speaker. At our second meeting which was in the Graham Barden School Havelock, we had a Barbecue Supper after which Mr. Jessie Jones, Second Vice President of the Baptist State Convention, was our speaker of the evening.

Our Association had at the beginning of this Associational Church year a total of 9 Brotherhoods reported. Now at the close of the year 1953 we have 15 Brotherhoods reported. This of course indicates that during this past year we had a total of 6 brotherhoods organized. We have a total combined membership of 432. Last year we had 320.

We had no money on hand at the beginning of the year but after the barbecue Supper we have at present a total of $27.50 left as a treasury for our Associational Brotherhood.

I move the adoption of this report. J. W. Sumner

Sunday School Report of the Atlantic Baptist Association

The Sunday School is being recognized more this year than ever before as the chief agency of the churches in evangelism, teaching, and enlistment. The major emphasis for the Baptist churches for 1953–54 is the effort to enroll a million more people in Sunday school in one year. Right of way has been granted for this, the greatest Sunday school enlargement program in the history of the world. As a result of this program, it is confidently expected that there will be substantial increases in baptisms, offerings, and Christian homes.

Our State Sunday School Secretary, L. L. Morgan, reports gains this year in enrollment, and in training awards. It is expected that the number of Vacation Bible Schools will reach a new high. In the 3,055 churches in the state, we now have more than 620,000 enrolled in Sunday School.

We are reporting in the Atlantic Association this year 36 churches and their missions with an enrollement of 6,563. This represents a gain of 303 in membership.

The Sunday school group meetings in the association have been fine this year, and the victory rally for the Million more a success. During the coming year it is recommended that the association hold regular meetings for the purpose of helping and inspiring the people to greater zeal for the reaching of the multitudes, also that the association seek to do its full share in enrolling a Million More in 54, by trying to enroll at least twenty percent more people in each Church School, teach the book The Pull of The People, and encourage Sunday schools to move up to department schools wherever possible.

Thomas C. Williams, Associational Sunday School Supt.

Training Union Report

The Associational year of 1953 brought to a close the most successful year of Baptist Training Union work that the Atlantic Baptist Association has ever known. During the year we held four Association wide Training Union Rallies with approximately 1500 in attendance. This year we are proud to report that 24 churches out of 39 churches and missions have organized units of Training Union work thus giving a total of 139 units with an enrollment of 1810 as compared with 93 units and an enrollment of 1393 reported one year ago. This is an increase of 46 units and 417 in enrollment.

At the end of the Associational year we held one of the finest Association wide Training Union Revivals that has ever been conducted. We had 15 churches represented with an average of 922 in attendance. There were 733 awards given. Thirty-four new units were organized and 134 new leaders enlisted.

Biblical Recorder Report

Eighteen hundred thirty-three was the year of the initial publication of the Biblical Recorder. After one hundred years of struggle for existence on an independent scale the Biblical Recorder became the official paper of the North Carolina Baptist. Ever since it has been Convention sponsored it has not ceased to grow in publication, number of pages, and in subscriptions. It has become a very informative paper for North Carolina Baptists.

The circulation of the Biblical Recorder exceeds 56,000 in number. The goal for the close of the church year of 1953 is 60,000 subscribers.

A recommendation was acknowledged by the Baptist State Convention in its 1953 session to again express its approval of the every-family plan to encourage churches in their method of promoting subscriptions to the Biblical Recorder. In the same session the State Baptist Convention voted to increase its help from $21,600 to $27,600 for the coming year. This has been done to meet the need for the every-family plan. The Convention pays fifty cents ($ .50) a subscription on the every-family plan. The six thousand dollars increase in Biblical Recorder help from the convention is because of the increase in cost of operation, increase in number of pages, and to meet the need of increase in subscriptions. Also this includes sending the paper complimentary to North Carolina Baptist pastors, foreign missionaries and seminary students from North Carolina and to hospitals and libraries in the State.

Other methods of subscriptions to the Biblical Recorder include: five subscriptions for each one hundred members at $2.00 a year per subscription; clubs of three for less than one hundred members also $2.00; single subscriptions $2.50 per year.

Each church ought to take advantage of every member plan to keep the church informed of the happenings in our Baptist work throughout the State.

Report of North Carolina Baptist Hospital 1953

"If Thou Wilt, Thou canst make me clean," was the leper's plea that touched the heart of Jesus. A like plea from the sick multitudes who need help has touched the heart of North Carolina Baptists. Our ministry through our Baptist hospital is our answer to this call.

More than ten thousand patients were cared for in our Hospital last year, while thousands of others were seen in the Clinics. Almost half of these were service patients, unable to pay the full cost of the care they received. These included old people at the sunset of life and little children at the dawn of life, mothers fathers and young people. They included persons who had to have help if they were to carry on as mothers and wives in their homes, if they were to work as fathers and husbands to support their families, if as young people they were to be set free from handicaps for life, if as old people they were to be spared for additional years and from much of the suffering which often attends old age. with all the advance of medical science, there is still much that it cannot do; but our Baptist Hospital is making a large contribution toward the saving of life, the relieving of suffering, and the bringing of good health for those who need it most.

From all over North Carolina there is a constant stream of afflicted people coming seeking our help. Our Hospital provides skilled specialists for them in the various fields of medical care. The demand is so great that it is never safe to go without an appointment in advance. The schedules of the clinics and doctors are almost always completely filled by appointments made days and weeks and often months ahead. If it is an emergency case the family doctor should call the Hospital and talk with a doctor there who will arrange for the patient to come as soon as possible.

One of the most important parts of the program of the Hospital is the spiritual ministry it provides. This is necessary if the full needs of a sick person are to be met. Our Hospital has trained chaplains who render an effective ministry for the

sick, guidance for the nursing and medical students, and training for pastors and Christian workers.

Three floors of the New Hospital Wing are nearing completion and should be ready for use this year. This will provide urgently needed space and facilities. If any church in the Association has not contributed its part toward the building of the New Wing, we hope this will be done at once.

"If Thou wilt, Thou canst make me clean." Jesus replied, "I will." You and I answer, "I will," if we give as we should in our Mother's Day Offering. This determines how much help we provide for those who are sick and have little or no money. Let us all answer with a generous, I will," next Mother's Day.

Hospital Representative

Report on Christian Education

Where shall one begin with a report on Christian Education? To me Christian Education begins with the first impression the baby receives from the Christian mother. Then Christian education should be a continuation from the home to the kindergarten and on through the highest education one may receive. The whole of one's knowledge should be seasoned with Christian faith, Christian principles, and Christian practice. Christian education should begin in the home and continue through out life.

Tragedy it is for a child to grow up and have to feel his way, blindly, in selecting, securing, or accepting his life's work without the background of a Christian home.

I wish to acknowledge here the cooperation of our Baptist colleges of North Carolina and churches of the Atlantic Association in this report.

The report of six of the seven colleges (no report from Chowan) is given: Meredith College—present enrollment 624; 18 of whom are preparing for Christian service. Wake Forest is 1,461; 77 law students, 186 ministerial, and 60 full-time Christian service. There are 235 additional students at Bowman Gray, School of Medicine. Wingate Junior College 269 enrolled; 43 for the ministry, 20 for Christian work. Campbell 428 enrolled; 35 for the ministry, 9 for Christian work. Gardner-Webb with 331 students; 50 ministerial, 15 missionaries, 15 Christian work. Mars Hill has 860 students; 79 for the ministry, 89 for Christian work. Total enrollment of the six colleges 4,208. Of this number 235 at Bowman Gray, 301 Ministerial, 164 for Christian service, and 15 missionaries.

These colleges have an annual operating budget of approximately $4,000,000. North Carolina Baptist, make available, through the Cooperative Program, $400,000. of this amount.

The total amount from the eleven churches reporting gifts to Christian Education, is $1,779.89. $492.90 less than last year.

According to the fifteen churches reporting students away in school there are 80. These are in the following: U. N. C.; W. F. C.; W. C. U. N. C.; N. C. S.; Louisburg; E. C. C.; Univ. Richmond; Campbell; Mars Hill; Georgia Tech; Atlantic C. C.; Salem; Chowan; Gardner-Webb; Hardin-Simmons; Oak Ridge; Meredith; Bowman Gray; N. C. Baptist Hospital; Southeastern Seminary.

Social Service—Temperance

I have been requested to give a report on Social Service and Temperance and beg leave to submit the following:

GAMBLING: The 1953 Legislature recognizing the necessity of inquiring into the operation of the Race tracks at Morehead City and at Moyock, adopted a resolution authorizing the President of the Senate and the Speaker of the House of Representatives to appoint a Commission to study the operation of Race tracks in Currituck and Carteret Counties.

This commission has conducted a number of hearings of the manner of these operations and the disposition of the proceeds and will report its findings and recommendations to the Secretary of State for transmittal to the 1955 Session of the Legislature, on or before December 1st, 1954.

This action resulted from the activities of our Church people and Baptist leaders in Atlantic and other nearby Associations, who have worked in season and out for the abolition of the present laws which permit Pari-mutual betting in two of the one hundred (100) counties in North Carolina. Apparently the people of North Carolina are beginning to realize that legalized gambling should be investigated and is the opinion of many of our citizens, that it should be abolished. Another act of the Legislature provided for clarification of the escheat laws with respect to unclaimed funds held by any person or persons representing unredeemed race track tickets, so that all racing debts unclaimed for 60 days go to the University of North Carolina. This was part of the pattern in the plan to examine, investigate and eventually abolish legalized gambling in our State.

On a lesser scale, and quite unnoticed, legalized gambling has crept into our State, beginning in 1945, through the efforts of the operators of Bingo. Already the counties of Dare, Edgecombe, Pitt, Guilford, Mecklenburg, Halifax and Fontana Village have legalized the playing of Bingo, which is legalized gambling on a smaller scale but gambling nevertheless. The Attorney General has ruled that Bingo is gambling but there are some churches and church people engaging in this enterprise. Our churches and people have always known and recognized that gambling in any form invariably leads to destruction. We should recommend the abolition of all forms of legalized and illegitimate gambling, whether it be dog racing, horse racing, bingo or whatever form it is known by. Inevitably any form leads to corruption of law enforcement officials and political leaders, and underworld characters form an unholy alliance with them. We recommend therefore that our people continue to work through our Legislative leaders to the final abolition of all forms of gambling in our State.

ALCOHOLIC AND INTOXICATING BEVERAGES: I know of nothing more fitting to begin this subject than to quote from two outstanding men, one an eminent divine, Rev. Henry Ward Beecher and the other an Industrialist, Mr. Andrew Carnegie. Rev. Henry Ward Beecher many years ago, made the statement, "Every year I live increases my conviction that the use of intoxicating drinks is a greater destroying force to life and virtue than all other physical evils combined" and Andrew Carnegie, in addressing the Graduating Class of Duquesne Academy, made this statement "You are more likely to fail in your career from acquiring the habit of drinking liquor than from any other temptations likely to assail you. "From the insane thirst for liquor escape is almost impossible." This has become the greatest menace to our society in modern times. The number of our citizens who have become victims to the disease called "Alcoholism" is steadily increasing and has reached alarming proportions. The present state of the legal sale of alcoholic beverages in North Carolina is very confusing. Most of the counties in the Atlantic Association permit the sale of alcoholic beverages in every form, whether it is beer, wine or whiskey, although our local option system, of the sale and control of such beverages, could be voted out, as readily as it was voted in. No effort is made in the counties to call local elections on the subject. Under the law, of 1935 counties were exempted from the Turlington Act, and elections were called in them, at which the voters in Carteret, Craven, Onslow and several other Eastern North Carolina counties approved by a majority vote the legal sale of intoxicating beverages and subsequently A. B. C. stores were established, but no election has since been called to vote out the stores although ample provision was made for frequent elections on the subject. The recent actions of referendum makes it apparent, that if the legal sale of alcoholic beverages is to be discontinued, in these counties of the Atlantic Association, it will come about only when the voters call for and demand elections so its people can vote on this subject. Many of our church people give service only to the support of the question of a state wide vote on the subject. We recommend the organized effort so obtain local elections in the counties in our own Association on the subject of the sale of intoxicating beverages. The State Alcoholic beverage Control Board is to be commended in its recent efforts to curtail the advertisement of alcoholic beverages, and we believe the Board members will make a sincere effort to enforce present laws.

NARCOTICS: The last Legislature gave special attention to this subject by enacting several laws to tighten existing laws dealing with this subject. It re-wrote the Narcotic Drug law, by increasing the penalties for the violation of the law and provisions were made to employ additional agents for the State Bureau of Investigation to investigate all violators of this law. We recommend to the churches that they continue to carry on an intensive fight against dope racket, and against the habitual use of narcotics in any form. The drug peddlers are the lowest form of humanity but they are well organized to carry on their nefarious trade everywhere. Their motive is profit and they will stop at nothing.

DIVORCE: Today it is estimated that one out of every four marriages ends in divorce. Events in recent years have taught that with our boys and girls intermarrying with boys and girls sent here in our midst for military service, from all parts of the country, that marriage for convenience and divorce of necessity naturally follow in many thousand cases.

The last Legislature reduced to five years the separation sufficient for divorce in cases of insanity, and the 1949 Legislature reduced the residence requirements for absolute divorce to at least six months, thereby making it possible for any person who resided in North Carolina for six months to start an action for absolute divorce provided legal grounds for divorce existed at the time of the separation. Thus it will be seen that the trend is towards easier and quicker divorces, rather than toward lengthier and difficult divorces.

We recommend that Christians continue to be concerned about this problem and remember that broken homes in America are one of our chief social problems, and are more destructive to our way of life than communism.

We conclude therefore with the warning that all of us re-examine ourselves and ask ourselves if others can see Jesus in us as we go about our daily tasks, for if others cannot see, how can we expect our lord and Master to see His teachings reflected in us. The real challenge is for us Christians to work more, pray more and trust more than ever before.

Orphanage

The year just closed has been one of progress for the Orphanage. We are now caring for 735 boys and girls, and the number of applicants for assistance is increasing.

Our two homes for children, Thomasville and Kennedy Home, are very near and dear to Baptists throughout the State.

A number of improvements have been made during the year. All major improvements and construction will be completed before the end of 1954 with or from the Idol Fund.

There is a possibility of the construction of a new church and educational building during 1954.

The work has made good the past three years under the leadership of W. C. Reed, General Superintendent and C. A. Kearns of Mills Home and W. A. Smith of Kennedy Home.

We humbly thank God for the contribution we are able to make through our two Homes for Children.

Now lets go back to our churches determined to give even greater support to this important work and pray God for strength and guidance in this important work and make a great Thanksgiving Offering.

The American Bible Society

"Thy word is a lamp unto my feet, and a light unto my path", so said the Psalmist. He could make this statement with positive assurance of its truth because this Word was available to him.

Today there are millions groping in darkness and this lamp and light are not available to them until their cry of distress and longing is heard by the American Bible Society. In all history there has never been so great a demand for the Word of life as we have today. Many of the lost, destitute peoples of the world are rapidly becoming literate. As rapidly as they learn to read a printed message, they cry out for a gospel of light and life. The high cost of the printed Word is so great that millions, who would gladly receive and read it, because of economic conditions, are unable to obtain it.

The American Bible Society, a non-profit organization, by the help of contributions from Christian peoples, is accomplishing almost the impossible in meeting in part, this great demand for the printed Word. It has the personnel and equipment to translate, print and distribute Bibles and Portions of the Word to peoples of many languages and dialects. Without this service rendered by the American Bible Society, most of our missionaries and Christian workers would find it almost impossible to continue their work effectively. Millions of copies of the Word are furnished at a nominal or no cost to the faithful workers on mission fields for distribution to the peoples with whom they work.

During the year 1952 the Society distributed in foreign countries 5,546,386 copies of Bibles, Testaments and Portions, and in the United States, many going to our service men and women, 7,822,644 copies. Some of the countries in which distribution has been made are: Japan, Korea, Hongkong, Formosa, Philippines, Thailand, India, Middle East Countries, Russia, Africa, Germany, Brazil and other Latin-American countries.

Last year was the largest in history for services to the blind at home and in many foreign countries.

The church cannot live, even where it is already established, without the printed Word of God. The Bible is the sharpest and most effective tool of missionary evangelism. in a day when men are shaking off the bondage that has enslaved them for generations, grant that we may bring to them the Word of Life, which sets men free, lest they turn to some other bondage more terrible than that from which they have escaped.

The American Bible Society is recognized by Southern Baptists as a very essential part of our Foreigh Mission Program. We urge every church in our Association to make a worthwhile contribution for the support of this work.

Associational Missionary's Report

As we come to the end of another year of work in our Association, it is with great joy we seek to give an account of our stewardship. Your Missionary has tried to answer every call in so far as it was within his power to do so. If he has not done all that you think he might have done, then remember that there are many people, churches and calls that he must come in contact with each month. Let your Missionary know if he can help you in any way, and he will seek to answer as early as he can.

There are many things that cannot be kept in a record book, but here are some things that your Missionary would give to you about your work that he has been doing during the past twelve months: sermons preached 143, study courses taught in 10, individual conferences held 157, group meetings attended 43, committee meetings 35, persons confessed faith in Christ to your Missionary 41, number joining the churches in services he conducted 53. He sent out 3575 bulletins, numbers of letters and cards. There were 24 visual aids (sound films, slides, and film strips) used in the churches.

Meetings outside the Association, or activities outside the Association that your Missionary took part in: Baptist State Convention, Greensboro; Southwide Sunday school clinic, Atlanta, Ga.; State Training Union planning meeting, Regional R. A. Conclave; State Evangelistic Conference; State V. D. S. Clinic; State Sunday school planning meeting; Training Union Enlargement campaign at Lexington; Sunday School Enlargement campaign at Laurinburg; Training Union Regional meeting; Tour of Home Mission Fields in South and West; Associational Missionary's Conference at Fruitland; Pastor of Junior Training Union Assembly at Caswell. Your Missionary drove 30,234 miles during the past year in the work of the kingdom of Christ our Lord.

Thank you for your part in the work of our Christ through the Atlantic Baptist Association.

Respectfully Submitted,
GUTHRIE COLVARD

Report of the Atlantic Association Brotherhood

During the Associational year the Brotherhoods have worked vigorously in the campaign of soul winning. We feel like this has been a most prosperous year for the Atlantic Association Brotherhood work. During the year six new Brotherhoods were organized giving us 21 Brotherhoods with an increase of membership of 304 and a total membership of 630.

On March 15, 1954 this Association Brotherhood met at the Graham Barden School, Havelock, N. C., with attendance of one hundred forty-one and eight pastors.

With the president presiding at this meeting the following officers were elected:

Membership Vice-President—Ernest Morgan, Richlands; Program Vice-President—Osborn Davis, Beaufort; Activities Vice-President—Frank Moran, Morehead City; Chorister—Marcus Edwards, New Bern; Secretary-Treasurer—Charles Holton, New Bern; Advisory Committee—Chairman: Dr. Wistar Hamilton, Havelock; Rev. Joe Sumner, Route #1, Jacksonville; Rev. M. P. Garner, Davis.

June 14, 1954 the executive committee met and agreed unanimously that the Atlantic Association Brotherhood should not be a collecting agency of the local church.

On October 8, 1954 ladies night was observed with a delicious turkey supper in the Scottish Rite Hall, New Bern, with approximately one hundred and twenty-five present. The Reverend Douglas Branch, pastor of the First Baptist Church, Rocky Mount, N. C., and president of the N. C. State Baptist Convention, brought a wonderful message on evangelism.

Pray that your Brotherhood will be a praying Brotherhood.

I move the adoption of this report.

Report On Cooperative Program

The Cooperative Program is the mean which you and I as individual Baptists have of sharing in the TOTAL WORK of our Denomination. That TOTAL WORK includes some twenty-two objects of State Missions, Home Missions, Foreign Missions, Colleges, Seminaries, Orphanages, Hospitals and Homes for the Aged.

It is thrilling to know that our gifts to the Cooperative Program are being used in such a wonderful way for carrying the Gospel of Jesus Christ to people at home and abroad. Yet as we look on the other side of the ledger and see there the great Spiritual and Physical needs of people both of our own Associational Territory and of the World at large, the thrill fades for we realize that as Baptists we are falling short of our best.

We have come a long way in the past twenty-odd years since the Cooperative Program was begun. Through this fair means of financial support for the various objects of endeavor, we have been able to gradually take on additional work. Of course additional work and the extension of existing causes

calls for additional gifts. The approximately two and one-quarter million dollars goal for 1955 is to each of us as individuals a vast sum. Yet in the light of the urgency for reaching others for Christ, for maintaining Christian schools, for training of our Missionaries, Pastors and other leaders and for ministering to the unfortunate, even these vast amounts of money are not enough.

We therefore encourage each Church of the Atlantic Association to CO-OPERATE in the Cooperative Program to the extent of calling upon their people to increase in a substantial way their gifts to this worthy cause of "Going Into All The World".

Sunday School Report of the Atlantic Baptist Association

The Sunday School is a good teaching agency of the church. With the methods we now have there is no reason why any Sunday School is not an efficient organization in the church. Using the Sunday School Standard as a guide many churches have seen seventy-five percent of their church members enrolled in the Sunday Schools. In our "Million More in '54" campaign, increase in Sunday School is based a great deal on this method.

The greatest need in our churches for the Sunday School is more space. Hundreds of thousands of dollars have been spent in the past year and many more thousands are being spent now to provide adequate space for Sunday Schools. Someone has made the statement that Southern Baptists are filling every building they build.

Missions in our Association have increased the Sunday School attendance. Some have been organized into churches. Others are bursting with growth. The Vacation Bible Schools also have boosted the growth of our Sunday Schools.

With a full Sunday School organization in the Atlantic Association as has been set up, interest in our Sunday Schools will be kept alive. Avenues of service will be established in all churches. Each group meeting of the Association will become more beneficial. Encouragement of Study Courses will stimulate interest in preparation to serve in the Sunday School.

The Baptist Training Union Report to the Atlantic Baptist Association 1954

The Training Union work throughout our Association has been most encouraging during the past twelve months. For the first time in the history of our Association a complete slate of officers has been elected. The Training Union work has been divided into three groups.

Through mass and group rallies, over 1200 persons were reached in attendance. The Spring tournaments were conducted in each department and promoted among many of the churches.

Twenty-seven Training Unions are now functioning in the Association; three more than reported last year. An enrollment of 2,488 has been reached through these unions with an average attendance of 1,588.

Training awards reached a new peak as 1,193 were presented in twenty churches.

Atlantic Baptist Association Biblical Recorder Report

Baptists work together in a great spiritual democracy. Democracy depends upon an informed, enlightened people, and informed people must be reading people. Baptists have compelling reasons for securing and reading Christian literature, especially from their own presses. They desire to know what their fellow Baptists are doing; the progress in missions, in evangelism, in educa-

tion, and in the wide program of teaching, training and benevolence. The aim of it all is to promote Bible study, to build Christian character, and to inform, enlist, indoctrinate, inspire and unify our people in all the great work the Lord has committed to us. Dr. M. E. Dodd said: "A non-reading Baptist is a non-informed Baptist. A non-informed Baptist is a non-interested Baptist. A non-interested Baptist is a non-cooperative Baptist, and a non-cooperative Baptist is not much of a Baptist."

Since 1833 the *Biblical Recorder* has served the Baptists of North Carolina as the state paper. For well over a century it has been going into the homes of our people as the journal of Baptist life in this great state, covering the entire field of our cooperative efforts. It has a noble heritage to preserve, and a high mission to fulfill.

Once a great layman said: "If you want to enlist your people, inform their heads, warm their hearts, and challenge their capacities." In the days of old, the prophet said, "My people perish for lack of knowledge." With the *Biblical Recorder* in reach of every home today, there is little excuse for any Baptist to suffer for "lack of knowledge" of the great work being done for the Lord by our 760,000 members of over 3,170 churches in the great Baptist state. The present circulation of the *Recorder* is approximately 57,800 each week. It should go into every Baptist home.

It is encouraging that many of our churches are including in their budget the Every-Family Plan whereby each resident family of the church is on the mailing list to receive the paper each week. This plan with two other methods of subscription to the *Biblical Recorder* puts our North Carolina Baptist paper in reach of every church member.

American Bible Society

"Your English Bible speaks to my head, but my Chinese Bible speaks to my heart." These words of a Chinese student express a missionary principle true in all lands:

Every person must have the Bible in his own language
if the Word of God is to speak to his heart

The Bible is the missionary's chief tool. He uses it in every form of mission work. The Bible itself is a missionary. It can go where the human missionary cannot go, stay when he must leave and keep on working in a man's heart.

The American Bible Society aids in Bible translation, publishes the Scriptures without note or comment and distributes them without profit, usually below cost. In cases of special need at home and abroad, they are given without charge. Scriptures for the Blind are supplied in raised-letter systems and on Talking Book records. The Society serves every form of Southern Baptist mission work around the world.

During 1953 the American Bible Society—

—distributed throughout the world more than 15 million volumes of Scriptures.

—in the U.S.A. distributed 9,726,391 Scripture volumes in 81 languages.

Southern Baptists' Part in the Work

In 1953, Southern Baptist churches gave $102,010 to the American Bible Society.

Gifts from churches of all denominations totaled $785,897. Southern Baptist gifts continued to stand in second place, exceeded only by Methodist gifts of $148,724.

Has your church given to the American Bible Society this year?

The help of every Southern Baptist church is needed. Evehy church can give at least these amounts each year: Country and village churches $10 to $25; Churches in small cities $25 to $100; Larger churches $100 to $200; Great city churches $200 to 500 or more. Please send gifts to your Baptist state office marked "for the American Bible Society."

Recommendation of the General Executive Committee to the Association:

That the Association go on record in expressing its appreciation to Mr. A. L. Waters, of New Bern, for his generous offer of a lot to the Association for the purpose only of building a house for the Missionary. It is recommended further that Brother Waters be released from any and every offer made to the Association in view of the fact that there has not been on the part of the Association any preparation to build.

Recommendation of the General Executive Committee to the Association:

That a committee be set up, to be appointed by the moderator, to study and make recommendations to the Association concerning housing for the Associational Missionary.

It will be the duty of this committee to arrange for the best housing which the budget of the Association will allow. The committee will also make a suggestion to the Association as to the possibility of purchasing any property for our Missionary's housing. It shall suggest to the Association a plan whereby the churches may be given opportunity to contribute to said purpose. This committee will inform the churches at regular sessions, or at any time it deems necessary, as to progress and development along the lines of its activity.

Christian Education in Our Colleges and Seminaries

For the sake of brevity it is necessary to refer to Christian Education in our Homes and Churches as an imperative. The brief emphasis upon this most important matter does not lessen the responsibility of our churches to this worthy cause. We are all aware of the importance of the relation between this phase of our educational program and the program in our colleges and seminaries and will associate the two in our thinking and in our planning.

The Lord has blessed North Carolina Baptists with seven colleges. Five of these are junior colleges and two of them senior colleges. Wake Forest is one of the two senior colleges and the oldest of the entire group. It was organized in 1834. The second oldest, Chowan College, was organized in 1848. Mars Hill is the third child in age in our family of colleges and was organized in 1856. Dr. J. A. Campbell started Buie's Creek Academy in 1887 and led this school in a wonderful way until some years ago when it was named Campbell College in his honor. Wingate had its birth in 1897 and two years later in 1899 Meredith was organized. The last of this group of seven, Gardner-Webb, was organized in 1907.

The enrollment in 1953-54 at Wake Forest was 1,705, Chowan 249, Mars Hill 886, Campbell 555, Wingate 272, Meredith 673, and Gardner-Webb 431. The total enrollment for the year was 4,771. Of this number 433 were being trained for the ministry and 236 were classified as mission volunteers, which means

that 14% of the students in our North Carolina Baptist Colleges are ministers and mission volunteers. This percentage is second only to Texas in the Southern Baptist Convention.

Each of these Baptist Colleges has a Board of Trustees. These trustees are named by the Baptist State Convention and the membership is restricted to those who are members of Baptist churches in North Carolina. One-fourth of the members retire annually and cannot succeed themselves for a period of one year. We believe this to be democratic and a fundamental principle of our Baptist faith and practice.

The total annual operating cost of these seven colleges is $4,000,000.00. Of this amount $417,606.02 comes through the Cooperative Program of the North Carolina Baptist State Convention. In addition to this amount $235,313.84 is received through the Cooperative Program for capital outlay. This gives us a total of $136.85 for both operative cost and capital outlay for each student enrolled in the seven colleges. $136.85 looks like a sizeable amount per capita student until it is compared with the $508.00 per capita student for each one of our seminaries, or the $554.00 appropriated annually for each student enrolled in the Greater University of North Carolina. This difference does not mean that the students in our Baptist colleges are not receiving as good training as the seminary students or State students, but it does mean inadequate equipment and underpaid teachers. At a recent meeting of the Educational Council of the Baptist State Convention, one of the deans from one of these Baptist Colleges said, "We are willing to be considered missionaries and to receive salaries as missionaries to continue the Cause of Christian Education as Baptists see it, just as those who have gone on before us."

A look at the academic standards and the quality work done in our educational institutions will reveal that each year all seven of these colleges make their reports to the North Carolina Conference and to the Southern Association of Schools and Colleges. As an indication of how our institutions compare with other colleges and universities, President Carlyle Campbell of Meredith College has the distinction of serving as president of both of these accrediting associations in 1954.

We come now to what I believe to be the most appropriate question asked about our seven colleges—how may the Baptists of North Carolina best provide financial aid for these institutions? The answer is plain and simple—by increasing their financial contributions through the Cooperative Program. These seven colleges like all the rest of our institutions and agencies receive a designated amount of the total dollar contributed. It is impossible to increase this percentage. To do so would mean that the other institutions and agencies would suffer. We can increase the total gifts, however, if our 3,100 churches will increase their amount to the Cooperative Program.

Our seminaries that we refer to in a paragraph above are a part of our overall program of education in the Southern Baptist Convention. The youngest of these seminaries is located here in North Carolina, the Southeastern Seminary at Wake Forest. Facts giving the number of students in each of these seminaries and the total for the five are not available; but they, like our colleges and universities, are over-crowded and badly in need of equipment. The needs of these seminaries can be met in the same way the needs of our colleges in North Carolina can be met—by increasing our gifts to the Cooperative Program and by enlisting the cooperation and support of the churches that at present do not contribute anything to our Baptist work.

The Baptists of North Carolina have for many decades seen the needs of their institutions and agencies and met those needs. We will not turn back now. We will accept the challenge of the Nine-Year Program and enlist every pastor and every church to be a contributor both materially and spiritually to the Cause that is so dear to the Heart of Our Saviour and His Kingdom.

CHARLES E. PARKER, *Chairman of Committee*

Report on the Baptist Orphanage

It is always a privilege to report to our people the facts concerning their Orphanage. Again, through your generosity, we were able to care for about 700 children last year. The physical plants both at Mills Home and Kennedy Home are now in good condition.

Building Program. At Mills Home the Recreational Center and the beautiful new Church Building were completed during 1953. Now for the first time in its history Mills Home has adequate places for its children both to play and to worship. The Church stands in the very center of the campus with its tall spire pointing heavenward. It is by far the most beautiful building ever erected at your Orphanage. As the children are led in worship by our pastor, there is a spirit of reverence which would thrill the heart of every North Carolina Baptist.

We are now about ready to let a contract for a new Church Building at Kennedy Home. This will be equally as beautiful (though not as large) as the one at Mills Home. It will enable us to meet the spiritual needs of the children far better than ever before. North Carolina Baptists should rejoice that special friends have made these Church buildings possible. They should also thank God that every effort is being made to see that their homeless children are privileged to grow up in a spiritual atmosphere.

Charity and Children, your Orphanage publication, has an all-time high in circulation. We send out more than 46,000 copies each week. The subscription price is 60¢ per year in clubs of 10 or more to be distributed in your Sunday Schools. Surely every Church in our state will want at least ten or twenty copies of this splendid Baptist publication. It will keep you informed about your Orphanage as well as other phases of Baptist work.

Plan of Support. The income for 1953 was good. Our Churches through the Once-a-Month offering and the Thanksgiving offering continue to meet the challenge of the homeless children in our midst. Truly God will continue to bless our people as they minister to those who can't help themselves. Our Savior said, "Whosoever shall receive one of such children in my name, receiveth me; and whosoever shall receive me, receiveth not me, but him that sent me."

Our new plan of Orphanage support should not be very different from the present plan. The Baptist State Convention voted for the Orphanage to come into the Cooperative Program beginning January 1, 1955. This gives any Church the privilege to send all its funds *except the Thanksgiving offering* through the Cooperative Program if it so desires. However, the General Board and the Executive Secretary of the Convention make the following recommendations: First, that Churches that now take the Once-a-Month offering continue this plan. Second, that Churches which have the Orphanage in the Budget for a certain amount be encouraged to continue this same method during the period of transition.

Thanksgiving Offering. The Thanksgiving offering, of course, will be continued just as before. Each Church is urged to give the people a chance to make a Thanksgiving offering. Each person is urged to give at least One Day's Pay as a "Thank Offering" for the support of the dependent children for whom Baptists are responsible. These children are wholly dependent upon North Carolina Baptists for their chance in life. *We must not, we will not fail them.*

Report on The Baptist Hospital

This article on the Baptist Hospital was published recently in the *Biblical Recorder*. Because I do not think it can be improved upon, I am submitting it as my report on the Baptist Hospital.

"North Carolina Baptists have a Medical Center of which they can be proud. It is located in Winston-Salem. It consists of two major divisions: the North Carolina Baptist Hospital, over which Reid Holmes presides as administrator,

and the Bowman Gray School of Medicine of Wake Forest College, over which Dr. Coy C. Carpenter presides as dean.

This Medical Center is much bigger than the average Baptist realizes, and more activities are going on all the time than one could list on a page of an unabridged dictionary.

There are 650 people on the pay roll of the Hospital, going all the way from the orderlies to the chief executive, Mr. Holmes. The Hospital admitted 10,886 persons as bed patients and rendered a total of 92,476 days of patient care in 1953.

The Hospital and the Medical School are built close together, like Siamese twins, with each floor connected by passageways. The buildings of these two institutions cover a large part of 11 acres of land located in the Ardmore section of Winston-Salem.

The North Carolina Baptist Hospital was incorporated in 1922 and received its first patient May 28, 1923. Originally built as an 80-bed institution, the Hospital, with the new South Wing almost completed, has 450 beds, including bassinets, and consist of a Nurses Home, Out-patient Building, West Wing, new South Wing, Children's Wing, and laundry building.

The Wake Forest College Medical School was expanded from a two-year to a full four-year medical school in 1941 and renamed the Bowman Gray School of Medicine of Wake Forest College in recognition of the benefactor, Bowman Gray, Sr., who made the expansion possible. The resources of the Bowman Gray Foundation were awarded to the college to be used exclusively for the Medical School, which is supported from the general budget of Wake Forest College, the resources of the Foundation, and the James A. Gray Trust Fund.

The Medical School has graduated 492 doctors since it was opened in 1941. It has on its staff 75 able and well-trained physicians, and connected with it is a private Diagnostic Clinic, and also owned by it is the Graylyn Psychiatric Hospital, located on the estate of the late Bowman Gray. The Private Diagnostic Clinic serves those patients who are able to pay for their examinations. The staff of this private clinic is composed of the fulltime teaching staff of specialists of the School of Medicine and of the Hospital.

On the other hand, the Out-Patient Department of the Hospital is operated for the benefit of persons who are not financially able to pay the total cost of the medical service they need. It enlarges the Hospital's service beyond the limited number of in-patients it can accommodate, and utilizes the services of the doctors available in the Medical School and the large investments in laboratory and X-ray facilities. Visits to this Out-patient Department numbered 49,205 in 1953, and the area of the Hospital's service was thus extended to thousands of patients who could not be accommodated in the Hospital.

Modern medical care costs money, a great deal of money. In fact a large per cent of our people are not able to pay the full cost of medical care. Various means are used for this need. Through hospital insurance built up by the individual; through various gifts and benefactions, including gifts from welfare agencies and the Duke Foundation for charity patients; and especially the amount North Carolina Baptists give for the support of the needy through the Mother's Day Offering.

The Hospital provided free service in the amount of $527,299.99 in addition to free doctor's care to needy persons in 1953. Every dollar given through the Mother's Day Offering goes to meet urgent needs and serves a worthy purpose.

The new South Wing of the Hosuital is nearing completion. All of the building is in use now with the exception of two floors which are being furnished. Fourteen thousand dollars more is needed to complete the $700,000 promised the Hospital by the Convention, and the Hospital needs $75,000 in addition to furnish this new wing. It takes $1,000 to furnish each room. Here is a chance for individuals to make special gifts toward helping to complete this major new unit of our Hospital.

Teaching and healing, two of the principal precepts of Christ's ministry, are the main objectives of our Baptist Hospital, which together with the Bowman Gray School of Medicine of Wake Forest College, forms the Medical Center of North Carolina Baptists. We can well be proud of this center, and we should give to it our most ardent support, both in our prayers and in the giving of our money.

This Medical Center is a going concern, and it is serving hundreds of people every day. To stand in the halls and watch the sick people come and go and to see nurses, doctors and various kinds of helpers going about their duties makes one realize how big and useful this Medical Center is. Let us thank God for it. Let us give it our best support.

In the picture of the final judgment which Jesus gave preceding his death on the cross, the King says to those on his right hand, "I was sick, and ye visited me". When the righteous expressed surprise at this statement, he said, "Inasmuch as ye did it unto one of these my brethren, even these least, ye did it unto me". In a very real sense, in their great Medical Center in Winston-Salem North Carolina Baptists every hour of the day throughout the year are engaged in the healing and teaching ministry which Jesus Christ himself emphasized so much during his own public ministry".

Report of North Carolina Baptist Homes for Aging

The fourth Associational year of the Baptist Homes for the Aging has been one of considerable expansion and encouraging progress. There are many evidences of the continued blessing of God upon this newest phase of our North Carolina Baptist program.

A step forward was taken when the Albemarle Home opened its doors on December 7, 1953. It afforded space for 35 additional residents, making the total capacity of the two Homes 54 residents—Resthaven, Winston-Salem (19), and the Albemarle Home (35). The purchase price of the property at Albemarle—Hospital and Nurses Home buildings and 3 acres of land—was $25,000. The cost of renovation was about $75,000, thus making the total cost of this plant $100,000. But, with the value of the equipment donated, the property there should now be worth at least $300,000. Good fortune was ours again in securing the splendid staff of helpers at Albemarle. Rev. Zeb A. Caudle, former pastor of the First Baptist Church of Aberdeen, was selected to serve as superintendent of the Albemarle Home. Both the residents of, and all who have visited, the Home have been greatly pleased with the program of service.

Resthaven, at Winston-Salem, which began operating March 16, 1951, has been filled to capacity throughout the year. Although the ages in both Homes range from 67 to 94 years, there has been no death within the past year. The general health has been remarkably good, and the spirit of satisfaction on the part of the residents has been most encouraging. The greatest loss came from the retirement of Miss Edna L. Heinzerling, supervisor of Resthaven since its opening. She had rendered most acceptable service. Mrs. Ethel Fulghum, a resident of Resthaven, was selected to act as supervisor temporarily.

A tract of 34 acres of land, just outside of the city limits of Winston-Salem, was purchased in 1953, for a central site for new buildings. The cost was $25,000. A topographical map has been made and an architect engaged to prepare sketches of buildings to be erected on this central site, as money and circumstances will permit. It is the intention of the trustees, however, to proceed with one building at a time. The first unit will furnish space for additional residents and for offices, chapel, infirmary, laundry, refrigeration, etc. It is hoped that construction of the first unit can get under way within a year.

Inquiries have been received as to the possibility of a couple erecting a cottage on the central site, so that they might live in it until death, and then the cottage would be available to another couple. The cost of erecting and furnishing it would be paid by the couple, but it would become the property of the North Carolina Baptist Homes.

The second Special Day Offering, February 21, 1954, was encouraging. The total amount will probably be $65,000 to $70,000. In addition, the Homes received $21,000 as their share of the Nine-Year Program. Word has come, too, of wills, from which the Homes will receive gifts. At least one will was

probated in 1954, from which estate the Homes will receive $2,000. But the most encouraging progress has been the response, on the part of our churches, to the program of the Homes. More and more of them are beginning to support the Homes through the Special Day Offering, or by specially designated gifts. These evidences indicate the future success of the Homes in providing more facilities and accommodating larger numbers of aging friends.

The residents and all who are serving in the Homes are deeply grateful for the help received thus far, and they covet the prayers and continued support of our Baptist constituency in the future.

It is requested that an Associational representative be elected at this session, and the name be sent to General Superintendent J. M. Hayes, Kentucky Avenue, Winston-Salem, N. C.

Social Service—Temperance

As a report on this subject I would like to submit some facts and observations gleaned from various sources, including the report of the Christian Life Commission of our Southern Baptist Convention.

CRIME: Unless the present rise in the crime rate is halted, 1954 will see a new all-time record for lawlessness in the United States, Director J. Edgar Hoover of the Federal Bureau of Investigation warned the nation's civic and religious leaders in a recent statement from Washington, D. C.

Mr. Hoover said statistics compiled by the FBI showed an increase of 8.4% in the number of crimes committed during the first half of 1954, as compared with the first six months of 1953. This was the largest increase recorded in any period since the end of World War II.

Particularly disturbing to the FBI chief has been a sharp crime rise in small towns and rural areas. The increase in urban crime rate was 7.2 per cent, but in the rural areas it was 11.9 per cent.

Mr. Hoover gave these facts about crime at the present time: An average of 35 persons per day were feloniously slain in the U.S. during the first six months of this year. There were 48 statutory sex crimes reported to the police every 24 hours. An average of 252 persons were subjected to aggravated assault each day. An average of 608 automobiles were stolen, 1,454 homes were burglarized, and 197 armed robberies occurred daily. During this six months period 1,136,190 offenses were reported to police, meaning that a reported crime was committed every 13.8 seconds. The FBI chief further estimated that a major crime of violence was committed every 4.3 minutes. He said that the crime rate is growing despite the effectiveness of law enforcement. Nine out of 10 cases of murder or manslaughter during 1953 was cleared by arrest, and the number of police officers on duty has reached a record level. There is now an average of 1.8 policemen for every 1,000 inhabitants. Sixty-three of these law officers were slain in line of duty in 1953.

JUVENILE DELINQUENCY: There is a growing concern on the part of responsible citizens of this nation over the increase year after year in the number of our delinquent youth. We believe that the spiritual ministry of the Christian gospel is the most effective preventive of juvenile crime, but less than half of the youth of our nation 18 years of age and under receive any kind of religious instruction in home, church, or school. The Christian forces within our churches must find ways and means of working with the law enforcement and other agencies within our communities if we stem this threatening tide of juvenile crime.

We, therefore, urge our pastors and members of our churches to acquaint themselves with the facts on this problem in their communities, and to cooperate with the Home Mission Board and other agencies of our Convention in our work in this field as we seek to build a program with specific responsibilities for each agency that will avoid as far as possible the overlapping of effort and expense.

RACE RELATIONS: We call attention to the fact that our Southern Baptist Convention, in its session at St. Louis this past June passed a resolution which expressed our harmony with the decision to guarantee the constitu-

tional privileges of every person in our society. Such action as has been taken in regard to desegregation of our public schools calls for calm consideration on the part of every earnest Christian. May the Law of the Spirit of God be our Guide and Help in making necessary adjustments, and let us as Christians maintain a Christian attitude of brotherly love for all those for whom Christ died, regardless of race.

GAMBLING: The people of the United States continue to spend millions of dollars each year on various gambling practices. Christians should take the leading role in opposing gambling in any form. We are happy to report that our State Supreme Court has held that the operation of the dog race tracks in our state to be unconstitutional. The brethren in our association who have been influential in awakening public conscience are to be commended for their efforts. Let us go on to further social reforms as the opportunity may permit us.

ALCOHOLIC BEVERAGES: The Department of Commerce reports that Americans spend $9,885,000,000 a year for alcoholic beverages. This means that $1,128,424 is spent each hour for this enemy of mankind. We can easily see from these facts that the recent storm damage in our state could be equaled by Americans' drinking bill in just a few weeks. Widespread and intensive advertising is responsible for last year's record consumption of 3,002,000,000 gallons of liquor, beer, and wine. This was 46 gallons per capita for the estimated 65,000,000 drinkers.

CONCLUSION: These facts present a dark picture, especially when we remember that church membership is at an all time high. We make the following observations as an explanation: First, the only way to change the heart of society is to change the individual hearts first. Second, we must realize that an unbeliever is still a lost sinner, regardless of his culture, and that God must remake him before his real nature will ever be changed. Third, unless we have been changed ourselves we can have no influnce in changing another. Fourth, we must remember that Christians are called to separated living—separated from sin and unto service. May God grant us wisdom and courage to face our task.

Respectfully submitted,

Resolutions

We are quite sure that we speak the sentiment of this body, the Atlantic Baptist Association, when we say:

We want to express our appreciation to the young lady for the special music in solo, so well done.

We will not overlook the faithful and untiring work of our associational missionary, Rev. Guthrie Colvard and Mrs. Colvard. They did so much to make this session what it should be.

Certainly we are happy to acknowledge the sincere work and loyalty of our beloved moderator, the Rev. Laurie J. Atkinson. He worked hard between sessions as well as during the session. We appreciate his faithful work so much.

We want to pledge our support to our new moderator, Rev. W. T. Roberson. We will stand by and work.

The very presence, and support of our out of association visitors, from our various institutions are always highly valued and cordially welcomed. We need your moral support.

The work of the above mentioned would have failed to produce a good, delightful and profitable session of our association had there been no place to convene. This helps us to see the very important place our host, the Trenton Baptist Church, had these days. Both the people of Trenton and pastor, Rev. D. E. Hill, did everything that was necessary to make us comfortable, happy, and welcome. The association expressed its appreciation for things mentioned with a rising vote of thanks.

In Memoriam

As we come once again to this hour on our program, let us pause to pay tribute to those who have been called to receive their reward for faithful service. May the memory of these faithful workers be an inspiration and influence in our spiritual life, to ever be ready to do our Master's will.

Jesus said: I go to prepare a place for you, that where I am you may be also. He has opened the door for those called in His name to enter into a home of rest, where sorrow and tears are no more.

As we think of the gate-way to Heaven, we recall the words written by Nancy Byrd Turner:

"Death is only an old door set in a garden wall,
On gentle hinges it gives at dusk when the thrushes call.
Along the lintel are green leaves—beyond the light lies still.
Very willing and weary feet go over that sill,
There is nothing to trouble any heart,
Nothing to hurt at all,
Death is only a quiet door, in an old wall."

The first meeting was devoted to organization. Meeting number two was given over to planning for our associational wide spring revival. A third meeting was devoted to Budget and Finance, and meeting four to the Order of Service of this session of the association, and recommendations for the ensuing year.

For some time, and to be more specific, I might say for two years, the Pastors and your Executive Committee with your Missionary have planned, prayed, and worked for a School of Missions in the Atlantic Association. At last Brother Colvard has been able to confirm the dates October 14-19, and October 21-26, 1956. He could not get enough Missionaries for all the churches in the association at one time, so he secured enough for half of the churches for the first week and arranged for them to stay over for the other half of the association the next week.

The Midville and Temple Baptist Churches got their request for membership into the association too late to receive them as full fledge members, according to the constitution of the association, but learning that Temple was organized after the dead line, and that Midville was without a pastor at the time, the committee voted to recommend that they be received under the Watchcare of the association for one year, and then into full fellowship of our body.

For your consideration the Executive Committee would like to heartily endorse and recommend:

1. The School of Missions in October 1956, and that every church in the association participate in this Kingdom endeavor. We would further suggest that the W. M. U., Sunday School, Baptist Training Union, and Brotherhood Organizations give this their prayerful cooperation and support, and make this part of the agenda of their meetings.

2. That the Midville and Temple Baptist Church be received under the Watchcare of the association for one year and then into full fellowship.

3. Give our full cooperation to Brother Colvard as Associational Missionary in a vigorous program of Education, Evangelism, Stewardship, and Missions.

A better educational program could mean more and better Sunday Schools, and a Vacation Bible School in every church. A united evangelistic effort by the churches would mean more souls won to Christ. A more vigorous program of Stewardship would mean a greater Kingdom endeavor, and a mis-

sionary zeal would show our obedience to the Great Commission. This is the program of our Christ, and should have our best—both as churches and as missionary.

Associational Missionary's Report

The month of September closed another year of work in our Atlantic Association. Here is a report of some of the things that were done by your Missionary during the past twelve months. Preached 88 times, had 287 personal conferences about the work, attended 25 committee meetings and 24 group meetings, had 42 showings of film and film strips, taught in five study courses, conducted 4 mission studies, and was principal of one Vacation Bible School. The following work was done in cooperation with our Baptist State Convention: Training Union Enlargement in Catawba River Association, W. M. U. Regional Meeting in Wilson, Training Union Planning meeting in Goldsboro, Baptist State Convention in Charlotte, State Vacation Bible School Clinic at Gardner-Webb College, Hospital Promotional Meeting at Winston-Salem, State Evangelistic Conference at Greensboro, Regional Training Union meeting at Kinston, Brotherhood Meeting at Rocky Mount, Week of Cooperative Program promotion in western N. C., on Faculty of Training Union Assembly at Fruitland, Counselor at Jr. GA and RA Regional camp at Caswell, attended Associational Missionaries' Conference at Caswell, on Faculty at Training Union Assembly at Caswell (two days only because of "Diane"), Sunday School planning meeting at Goldsboro.

The above does not include many visits to churches where a major message was not delivered nor the work with mission committees in local churches about future plans. Nor does it include the work of promoting the Temple Baptist Chapel, a mission of the Tabernacle Baptist Church of New Bern.

In addition to the work that was done by Mr. Colvard; Mrs. Colvard has done the following as an unpaid worker of the Association Mission Program in Atlantic: Seventeen three hour Mission Studies conducted, taught in three Study Courses, conducted the music and was superintendent of Sunday School for nine months at National Avenue, conducted the music and taught at Temple Chapel three months, and had kept a home for the Missionary family for these twelve months.

North Carolina Baptist Homes for Aging Report Associational Year 1955

The North Carolina Baptist Homes for the Aging began their fifth year of operation March 16, 1955. This has been a year of encouraging progress. Both homes—Resthaven and Albemarle—have had a continuing waiting list of applicants. As soon as a vacancy occurs there are far more applicants for admission than can be accepted.

This year will be remembered as one of notable enlargement of facilities. Construction of the Administration and Residential Building, costing $300,000, will get under way, and it should be completed by this time next year. The new building will provide office facilities, dining room, kitchen, chapel, infirmary, recreational and handicraft space, and rooms for forty additional residents, thus raising the total capacity of the Homes to 95 residents.

Two-thirds of the cost of the new building is now in hand, counting the value of real estate turned over to the Homes. Personal and corporation gifts are being received which will further add to the amount on hand.

Memorial gifts may be made in the following ways: A gift of $300 will furnish a room; $1,000 will endow—furnish and maintain—a room; $3,000 will pay cost of building a room. In either case, a memorial plaque—bearing the name of the donor and the name of the person memorialized, or honored—will be placed on the door of a room.

Miss Nettie Pearl Willis gave her homeplace at Vale, N. C., as a memorial to her mother, Mrs. Laura Elliott Goode Willis. The property will be sold and proceeds be used to erect a cottage on the permanent site of our Homes. In addition, Miss Willis made her will in favor of the Homes.

Increasing support on the part of our churches and denominational program gives great encouragement. So far this year, our Special Day Offering has

reached almost $70,000. Since many of the churches put the Homes in the budget instead of taking a special offering, and some of the churches wait until the end of the calendar year to send their gifts, a complete report for the year cannot be made at this time. But it is likely that our goal of $100,000 for the special offering will be nearly reached. In addition, the Homes will receive $39,850 as their share of the Nine Year Program, according to the estimated budget.

With increasing aid from denominational sources, the Homes are helping a larger number who do not have sufficient funds with which to pay the cost of keep as residents. In fact, about ninety per cent of all the residents are being helped by the Homes—some with about two-thirds of the cost of keep, and others with about one-third. Less than ten per cent of the residents in the Homes have turned over enough assets to pay their cost of keep on the life plan. Regardless of financial condition, an applicant is received into the Homes on the basis of need and room available.

All connected with the Homes—staff and residents—are most grateful for the prayers and support of our friends. "Hitherto hath the Lord helped." Surely all North Carolina Baptists should be grateful for the progress made thus far. Let us all rally to the challenge to render a greater ministry to the increasing number of aging friends who need the services of our Homes.

(The Association is requested to elect a representative for the Homes at this session.)

Report Social Service—Temperance

The issues of our day are too numerous to discuss in one report. The need for brevity in our Associational reports does not permit a full discussion of the four issues we have chosen to consider. The issues we will consider are as follows: Race Relations, Beverage Alcohol, Crime, and the Home.

Race Relations: We are aware of the acute problems brought about by the ruling of the Supreme Court which declares to be unlawful the segregation of the races in the public schools. This decision has far-reaching implications and the response of both white and Negro races to this action will greatly color the future of our society. We do not feel that an easy solution can be found. But we cannot wave aside this issue on the pretext that it is exclusively a political question. Nor can we accept the claim of some that any action by our churches or association on this question does violence to the scriptural principle of the separation of church and state. The spiritual and moral responsibilities involved in this question far outweigh the political aspects of it.

For a good many years Baptists and other groups have studied, discussed and experimented in the field of race relations. Now we must go beyond study. We must reaffirm our belief and teaching about man as having infinite worth in the sight of God. We must begin to live with and for others of all races and creeds.

Beverage Alcohol: Beverage alcohol is still public enemy No. 1. The brewers are spending millions of dollars each year to deceive the people into accepting and consuming their poisonous and ungodly products. We cannot afford to be silent, indifferent or complacent about this matter.

It is estimated that slightly more than half of the adult population in the United States 15 years and older drink alcoholic beverages at some time or other. The Rev. J. B. Hurley says, "One of the most widespread illnesses in the average American community is alcoholism. It has been estimated that around six per cent of all employable males are afflicted with this chronic disease. Known to practically every citizen of a community are lawyers, doctors, salesmen, business men—and women too—whose lives have become unmanageable because of an uncontrollable drinking habit. The minister is one of the community residents who is expected to do something about the alcoholic and his dependents."

It has been conservatively estimated from statistical studies that there are at least 1,650,000 problem drinkers in business and industry. They lose an

average of 22 working days each per year from the acute effects of alcohol alone. Each loses annually 2 days more than non-alcoholics because of various other ailments. The problem drinker's accident rate is twice that of the abstainer. His life span is reduced approximately 12 years in comparison with that of the non-alcoholic, and economic costs arising from problem drinking among employees are staggering.

The North Carolina A B C Board reports that from July 1, 1954, to June 30, 1955, $2,644,361.22 was spent for alcoholic beverages in the Atlantic Association. Last year (1954) $409,541.50 for all Baptist's causes, and only $63,330.15 for missions. Thus there were spent about 6 times more for alcoholic beverages than for the work of Christ in Baptist churches.

What are we to do? Although the effort to secure a state-wide referendum which would abolish the legal sale of liquor in North Carolina was defeated, we encourage each church to work toward the goal of a state-wide referendum by November 1956. We urge you to suppport the Allied Church League in its fighting of the sale and use of beverage alcohol. We appeal to each church to promote a program of education concerning the alcohol problem.

Crime: The crime rate in the United States has been increasing four times faster than the growth of the population, reports Director J. Edgar Hoover in his annual report, "Uniform Crime Statistics for 1954." While the population of the United States has grown 7 per cent since 1950, Mr. Hoover points out that the crime rate has increased 26.7 per cent. Mr. Hoover also reports an increase in juvenile crimes (those involving youngsters under 17).

The problem of juvenile delinquency in this country should be the concern of everybody in this country whether it is the business of everybody or not, Philip Green, new director of the Children's Bureau's Division of Juvenile Delinquency Service, says. "The neglected and abused child of today is the delinquent of tomorrow," he says.

In our papers we read: "Youth Admits Beating His Mother To Death"; "Seven-Year-Old Boy Kills His Brother"; "Morganton Expectant Mother (age 16) Held in Husband's Slaying"; "Eight-Year-Old Boy Burns Church To 'Get Even With God'." These and other headlines meet us every day in our newspapers.

Although the juveniles linked to crime and delinquency may make the headlines, they don't make the nation. In fact, they do not make all the headlines. Crime is on the increase, but youth and age, dedicated to the cause of Truth, are also on the increase and more and more are making the headlines. We must all work together—schools, courts, homes, and churches —to meet the needs of the people of our day.

The Home: One of the most serious problems which face the family today is the breakdown of true family life. J. Edgar Hoover has often pointed to the storm signals which should warn the thirty-five million parents who are charged with raising the next generation of American citizens. Heading the list of causes of juvenile crime is the number of broken homes. Divorce alone has broken up over two million homes in the past ten years. According to the records of the courts in the Atlantic Association, from October 1, 1954, to September 30, 1955, out of every 14 marriage licenses issued 1 divorce was granted

Our churches, our state, and our nation are weak because the home is weak. On every hand the home is breaking down. It has ceased to be a place of love and fellowship. It has become a service station, laundry and restaurant. The family is seldom if ever together.

Psychologists and sociologists say that home influence are the most important of all factors in the development of personality. Families are the building blocks of nations and only when family ties are conserved can the nation live and thrive.

Socrates once said: "Could I climb to the highest place in Athens, I would lift my voice and proclaim, 'Fellow citizens, why do you turn and scrape every stone to gather wealth, and take so little care of your children to whom one day you must relinquish it all?' "

If our homes are to be what they should be, Christ must become the head of our hearts. The Bible must become the book of our study. And family worship must become the life of our fellowship.

Conclusion: The battle with sin and evil is not over. There is still much that Christians should and must do. Six out of every ten Americans are church members. If all, or even 50% of these church members were born again, dedicated Children of God, we could "turn the world up-side down". If we of this association will pray without ceasing, serve without seeking glory, and stand together with courage for the Cross of Christ, we can be used of God to render Social Service to our communities in our day.

Report On Christian Education

Do Southern Baptists believe in providing a Christian education for their young people? Yes, this is seen in the fact that we have five theological seminaries and lend support to the American Baptist Seminary and the Carver School of Missions; that we have 30 senior colleges; 21 junior colleges; eight academies and four Bible schools. Here in our state we have one of these seminaries and seven of the colleges.

Do Baptists believe in supporting these colleges and seminaries? With students? The answer is both *yes* and *maybe*. Yes, because Baptist schools reached an all-time high enrollment of 50,080 in the year 1954-55, and the figures show that this year the enrollment is beyond that number. It is of interest to note that while the increase in college enrollment over the nation for 1954-55 was about 10%, the increase in enrollment in our Baptist schools was this: seminary enrollment—6%; senior college enrollment—16%; increase in junior college enrollment—17%.

Again, the answer could be *maybe*. Why? The question is best answered by a question: How many Baptist students are there in Baptist schools? Thirteen churches responded to a questionnaire that was sent to the churches of this association. The tabulation on these questionnaires reveal that there are 29 students from these churches in state and other schools, and 29 in Baptist schools. Is this a good average? In the light of the average of Southern Baptist students it is; actually, conventionwise, there are only 18.7% of the Baptist students in Baptist colleges. Doesn't this deserve our serious consideration? Arent' we missing much Baptist potential by letting these young people go to other schools? It might be well to say at this point that according to this poll that was taken among our churches, there is not *one* Baptist student who is preparing for the ministry or for mission service in some school other than Baptist. In view of the trouble those who are trained in other schols have caused within our ranks, we should be particularly grateful.

Do Baptists support their schools with money? Yes, for in this year our Cooperative Program is expected to provide $945,146.00, or an average of a little more than $150.00 per student for both operating costs and capital outlay purposes in our seven North Carolina Baptist colleges. This is an increase over last year, and the increase will continue with the success of the Nine-Year Program of Advance. However, this amount does seem rather small when compared to the amount of $1,054.00 provided by the State of North Carolina per student for operating costs and capital outlay purposes over the last six or seven years. While the financial support could have been stronger, our colleges in North Carolina have secured competent personnel and have maintained high scholastic standards.

Why do Baptists believe in education? One reason lies in the basic Baptist principle of the competency of the individual soul to seek and to know the will of God for his life. We believe that God's will for a man's life will be revealed in a study and understanding of the Bible and we believe that Christian education will help one to find the truth in God's Word. Other reasons why we believe in Christian education are: The present demands of our world make education a necessity. The best churches are those which seek trained men and women for leadership. Our denominational activities are dependent upon trained men and women. Our Foreign Mission Board insists that only those young men and women who have had college and seminary training can be considered prepared to carry the gospel message to the world. We believe that education is a vital part of all that we undertake to do, but we insist upon it being "Christian" education because we are aware that the most dangerous achievement in all the world is to educate the mind to a high degree without the one possessing that mind being taught the things of God.

Report of Sunday School Work

The Bible teaches, "The entrance of Thy Word giveth light," and that "The Word maketh people wise unto salvation;" and therefore, the importance of the Bible teaching ministry of the Sunday School.

The Sunday Schools have proven themselves to be a great teaching, evangelistic, enlistment, and financial agency of the churches. We rejoice in the growth and service of the Sunday Schools in our association.

This year our Atlantic Association reports 43 Sunday schools; 8482 Sunday school enrollment; an increase of 747 over last year; 479 baptisms; 39 Vacation Bible Schols; and an active associational Sunday School organization.

The State Sunday School Department, L. L. Morgan, Secretary, reports a total of 3,160 Sunday Schools. The Sunday School enrollment at the close of 1954 was 703,853, which is 89.9% of the total church membership in the state. We are happy to say that North Carolina ranks above all the other states in the Southern Baptist Convention in this respect. The next state in rank is South Carolina with 87.6% of the total church membership enrolled in Sunday School. The Sunday School Department reported 2,549 Vacation Bible Schools in 1954, an increase of more than 200 over 1953. 32,464 training awards were earned last year.

The Department is seeking to have 40,000 training awards in 1955; 36 Standard Sunday Schools; a 20% increase in Sunday School enrollment and 2,700 Vacation Bible Schools. We urge our Sunday Schools to help reach these challenging goals.

Your committee makes the following recommendations:

1. That we maintain a complete associational Sunday School organization with regular meetings, and that we urge all of our Sunday Schools to cooperate fully with this program.
2. That we set a goal of 20% increase in Sunday School enrollment this year, a Vacation Bible School in every church; one or more study courses for teachers and officers; the observance of Bible Study Week in January, a minimum of 50% of our churches with Standard Sunday Schools.
3. That ourf Sunday Schools cooperate with all the special days as promoted by our North Carolina State Convention.
4. That the Executive Committee be authorized to perfect the Associational Sunday School organization and to elect the officers for the coming year.
5. That the Executive Committee of the Sunday School Association appoint a nominating committee, three or more months in advance of the annual Associational meeting, for the purpose of nominating an Associational Sunday School Superintendent to the Executive Committee for approval and election; and that the newly elected Superintendent be given authority to select and enlist the other officers to be nominated to the Executive Committee or the Sunday School Association. This procedure is suggested in order to have the Sunday School organization completed and ready to function at the beginning of the associational year.

Report On Baptist Training Union Work

The Great Commission of Jesus, as recorded in Matthew 28:19, 20 is familiar to all of us. Yet, so often we overlook the latter part of it. Our first emphasis is to preach and baptize. Following that, Jesus said to "teach them to observe".

Most of us have just realized the great need for trained people to fill the various places of responsibility in our churches. We have within our denomination an organization for training these workers. However, we so often look on it as a sort of "extra" something to be tolerated rather than to be promoted. I refer to the Training Union—an organization which has as its specific purpose TRAINING IN CHURCH MEMBERSHIP. No other phase of our work seeks to take the born-again person and make of him a workman unashamed for the Master.

While our work has advanced the last year, we still find churches without a Training Union Organization. As Pastors, Deacons, and other church leaders, we have the responsibility of leading out in Training Union work, as in all other phases of our work. Our churches will never go beyond the leadership which is theirs. We are stewards of our responsibility regarding this most valuable part of our work. Will you be good stewards by promoting it, BELONGING TO IT, lending your influence and ability to its development; or will you neglect your responsibility concerning it and therefore be an unfaithful steward? A good steward seeks always to do those things that will help him discharge his responsibility so that the Master will say, "Well done, good and faithful steward." Can He say that to you about your Training Union work?

Another phase of our Training Union work that needs promoting with all our powers is Associational Training Union work. One reason why this all important phase of our work cannot be promoted as it should be is lack of money. It is suggested that those who make out the budget of our Association recognize this fact and provide adequately for Associational Training Union work in order that an Associational Training Union spirit may be developed among the churches of the Atlantic Baptist Association.

In conclusion, Pastors, Training Union Directors and all leaders and sponsors throw your influence behind "M" Night and Associational Tournaments. In this way we can note the marvelous development of the individual member in speaking for and representing the Master.

Respectfully submitted,

J. M. Flowers, *Associational Director*

Report On Biblical Recorder

Christian literature is a mighty force for good in promoting the Lord's work and in sowing the seeds of righteousness in the minds of people today. The devil is using the power of the printed word as never before. There is a vast flood of bad literature that promotes paganism, worldliness, and downright evil thoughts and deeds. At most newsstands, or in most so-called drug stores, there are great displays of such filthy literature, the covers of such literature being suggestive to all manner of evil. Some of these bad books, periodicals, magazines all too often get into Baptist homes. This should not be. Baptists have compelling reasons to seek out and use the fine Christian literature that is to be had today; and we have an excellent variety that comes from Baptist presses.

We as Baptists have a fine array of wholesome, inspiring literature for all ages. Our aim is to inform the people, to unify and enlist them in the Lord's work, to indoctrinate them in Baptist truths, to uphold the Bible and Its teachings, and to point out the great sweep of Baptist work that claims the finest efforts of all who serve God. Christian literature must be promoted, read and used by our people IN OUR HOMES as well as in our churches, if the whole program of Christ is to be carried out by Baptists working together.

The main purpose of our State Convention since its organization has been, and will always be "the promotion of missions, education, social service and the distribution of sound religious literature." The BIBLICAL RECORDER, founded in 1833, has since that date borne the true message of Baptist life, growth and thought in North Carolina. No Baptist home or mail box in the entire state of North Carolina is outside the reach of the RECORDER each week. It ought to be in every Baptist home in the state.

The present circulation of the RECORDER is approximately 61,000 each week. This figure shows an increase of about 3,000 over last year. And yet it is far short of the circulation it should have.

At present, about 1,500 churches in the state have either Clubs or the Every-Family Plan. But there are about 3,200 Churches in the state. It is very possible that the RECORDER may go into some of the homes of these remaining 1,700 churches, but we feel that it is a trickle when it should be a good, swift current. We sincerely believe that if more thought and serious consideration is given to this great periodical by our churches, more of them

would use the EVERY-FAMILY PLAN and place the RECORDER in more homes with little added expense. For instance. If a church has 39 CLUB MEMBERS subscribing to the RECORDER, this same church could place the paper in 52 homes for the same price. Every Baptist Church should take advantage of the EVERY-FAMILY PLAN and keep every church member informed of the events that take place in our Baptist circles in this state and throughout the Southern Baptist Convention.

ALEXANDER PASETTI

Work of the American Bible Society

It is altogether fitting that we recognize the immense assistance given to the preaching of the gospel throughout the world and to the churches at home by the American Bible Society. This agency is an active partner in the world-wide mission program, and serves every form of mission work at home and abroad and in the armed forces.

The task of publishing the Scriptures at cost—and often below cost—can follow only after the arduous task of translation into every man's language, and even that world task is not yet completed. 1,100 of the earth's languages still leaves another several hundred native dialects without the Word of God. Surely it is axiomatic that "Every person must have the Bible in his own language if the Word of God is to speak to his heart," from the day of Pentecost until now.

Last year Southern Baptists set a new record in their support of the American Bible Society by giving $112,064 to its work, leading every denomination of Christians in our section of the world, and this support will ever be needed if the Scriptures are to be distributed freely among both those who do and do not know their precious message of God's forgiving grace without the intervention of sacrament, priest, or prelate.

It is of interest to know that 15 million volumes of various portions and sizes of the Scriptures were distributed throughout the world last year, about a million and a half of these to the armed forces. Strategic gospel-starved areas such as Germany and other "fringes" of the iron curtain, as well as Korea, Japan, India, Africa, and Latin America were supplied as far as the resources of the Society and the gifts coming into them would permit.

A typical scene in northwest India will conclude this report: It is a desert area. A strange looking group of men have gathered around a young Christian man who is working as a government surveyor. But he is also witnessing to the good news of Jesus Christ to men WHO NEVER HEARD THE GOSPEL BEFORE THIS MOMENT. He speaks to them of the Bible; he tells of the God who loves the world, and His Son who brought the heart of God close up to the hearts of men; he shows them the book. One of the older listeners speaks up and asks, "Is that book in my language, too?" "Yes, it has been translated into your language, too," he was told. "Young man," he said with emotion, "get me that book!" Then holding the stranger's copy in his hands he doesn't wait, but then and there opens his heart to the wondrous assurance of the loving, forgiving Saviour. His next question was inevitable; it is always asked in every new country, in the words of every new language into which it comes—the searching question which remains for you and me to answer: "Why did you not bring us the Book long, long ago?" The old man's question cannot be fully answered, certainly not to his satisfaction. But the American Bible Society, and on the other side of the world the British Bible Society, are answering it belatedly, inasmuch and in so far as our gifts will send them.

WISTAR HAMILTON

The Orphanage Report

It is a Biblically enjoined obligation and a generally accepted activity of Christian endeavor to care for the widows and Orphans. For North Carolina Baptists in particular it has been one of our earliest and most beloved objects of cooperative ministries.

Ours is the oldest orphanage in the state and its methods and efficiency have been the study and model for many christian and fraternal bodies throughout the nation.

We have cared for 713 homeless children during the past year, and we have rendered aid and assistance in the placement of 600 other children during the year.

A new Church building at the Kennedy Home is nearing completion. It is in beauty and appointment an outstanding building in the state and will fill one of the greatest needs of the 160 children there.

A new swimming pool has been constructed at the Mills Home in Thomasville and is named for the Broyhills of Lenoir who are the donors of this recreational aid to our growing children.

Charity and Children continues its editorial services as the publication of our orphanage work. It goes into 47,000 homes and should be in the budget of every Baptist Church in the state. Its nominal cost commends its distribution through our Sunday Schools.

By recent vote of the Baptist State Convention the Orphanage began participating in the Cooperative Program Janaury 1, 1955. About $60,000 will be received from this source this year. The majority of the Churches make monthly contributions to the orphanage and the Thanksgiving Offering is more important this year than ever before. Let every Church make a "Thanks Offerings" and try to have every member present a gift. "A Day's Work" is suggested for all those who receive wages. Dollars and Dimes from the many and more substantial gifts from the able will show the Lord that we love the helpless in some measure like He loved us in our helpless estate.

Little children are neither "Little Angels" nor "Little Devils". They are the God-given materials out of which we adults may fashion the children of God. A high and holy privilege is placed in our hands by the misfortunes of homeless children. God ever give us grace to acquit ourselves as worthy agents of high heaven in this highly rewarding ministry.

North Carolina Baptist Hospital 1955 Report

Our Baptist Hospital fills an important place in the life and work of North Carolina Baptists. It will probably serve 50,000 patients this year, touching every area of our State.

In addition to this great host of sick people, our hospital provides an educational program for more than 450 young people who are training to becme nurses, doctors, technicians, pastors and other Christian workers.

The Department of Pastoral Care provides Christian counseling and guidance for the patients, students, hospital staff and personnel, as well as hundreds of others who come to the hospital from over the State for this purpose alone.

It is not easy to estimate the value of these and other services rendered by our hospital to multiplied thousands of people of all ages in the fields of health, education, and spiritual guidance.

The cost of carrying on this program for such a multitude of people is tremendous—more than two million dollars a year. One-half million dollars of this is spent in helping to care for sick people who are not able to pay for the service they need. We are grateful to God for the privilege of sharing in such a work, and we want to thank the Churches of our Association for their part in it.

The opportunities for Christian service and witness through our hospital are truly great. We need to give it a much more generous support through our Mother's Day offerings and the Cooperative Program.

Resolution

The Atlantic Baptist Association in its seventy-second session wishes to express the appreciation of its Messengers, churches, and visitors to the First Church, Havelock and to the Bayboro Church for their cordial hospitality in entertaining the Association during these two days of its meeting. In particular do we thank pastor J. M. Flowers and pastor H. B. Hines who bore the responsibility for the arrangements, and the women of these churches who served us so bountifully with good food. The Havelock First Church went to great lenghths in arranging for us to use their beautiful and commodious new worship room and we thank God for the great progress that is in evidence. To the Havelock Progress and to editor Gene Smith we are indebted for good newspaper coverage. The Association recognizes the faithful year of work by its moderator, clerk and treasurer, together with the several committees which have met throughout the year traveling at their own expense to attend to the business with which we had entrusted them. We thank God for our devoted missionary, brother Guthrie Colvard, and his wise and vigorous leadership in strengthening and expanding the cooperative work among us, and look with humility and courage at the opportunities which have now become the responsibilities of a new year together in the Atlantic Association.

Brotherhood Report

The men of the Atlantic Baptist Association are beginning to realize the purpose and power that is in the Brotherhood movement. As such the men have been seeing that it is not a meeting but a program of enlisting the men for Christ.

The purpose of the Brotherhood is to enlist the men of the churches to undergird the work of the churches as they stand with their pastors in promotion of a full program for Christ. In the associational meeting this has been the theme of the programs. Our men are beginning to see that their purpose is not to undertake some pet project of their own, but to get behind the whole program of their churches.

The power of the Brotherhood can be realized as the men become active in the teaching, training, stewardship, evangelism, prayer program, and missionary undertaking of the church. We believe that we should have 2000 men of Atlantic engaged in active work to these ends very soon.

The Royal Ambassador work that has long been a vital part of the Woman's Missionary Union is soon to be placed in our hands. It is our prayer that we may do a job in this that is worthy of the records of the past.

George McCotter

Woman's Missionary Union Report

The Woman's Missionary Union of Atlantic Association presents the year's report for its work ending September 30th. The societies through their reports to the W.M.U. superintendent report a gain of 15% in total enrollment from 1987 the previous year to 2299 this past year. These are the reports of the missionary societies themselves and are not, in every case, identical with the reports sent in by the church clerks in the associational letter. There were 1987 women and young people enrolled a year ago, rather than the 2377 indicated in the church letters to the Association.

Other gains during this past year are 16 new junior organizations, 362 new tithers, 291 new regular givers through the Cooperative Program, with three A1 Standard Missionary Societies compared with one last year.

The annual meeting was held with the Beaufort First Church in April and had as missionary guest and speaker Mrs. Marvin Garrett from Nigeria. Miss Janet Wilson, State W.M.U. Young People's Secretary, was special guest from the state office.

Miss Jane Marshall Jenkins continues to lead the young people in active missionary education with 507 of them enrolled in mission study classes. 16 Queens and 2 Queens with Scepter head the list in the Girls' Auxiliaries, while among the Royal Ambassadors 2 Knights and 2 Ambassadors received full recognition. 48 of these young people attended summer camps.

Report On Cooperative Program—Missions

We have all heard it said that the sun never sets completely on the British Empire. The same can be said about the work that the dollars given through the Cooperative-Program are doing.

It would perhaps be wise at this point to stop for a moment to ask ourselves the question, what is the use to which Cooperative-Program dollars are put? The answer to that question can be stated quickly and simply: When an individual or church gives through this medium, they share in everything which Baptists are doing at home and abroad. In other words they share in the support of 1,000 missionaries of the Foreign Mission Board, about 1,000 missionaries of the Home Mission Board, some 100 missionaries working in various parts of North Carolina through State Missions, the purchase of lots for new churches, all departments of the State Missions Program with its eighteen activities, helping to provide an education for some 6,000 students in our seven Baptist colleges and some 5,000 students in our six seminaries, our Baptist Hospital at Winston-Salem and the Southern Baptist Hospital at New Orleans, North Carolina Baptist Homes with its two projects, one at Winston-Salem and one at Albemarle and the Orphanage with some 700 children, with two homes, Mills and Kennedy.

Now comes the thought, how are we doing toward financing these great undertakings? North Carolina Baptists are doing better by the Cooperative-Program and Missions than ever before! It is thrilling to know that in 1954 we contributed $2,271,583.00 over against $1,785,405.00 in 1952. But better

than this, Secretary Huggins reports that at this point we are running a good fourteen percent ahead of what we did last year.

With this encouraging report before us to give evidence that we are doing, if only in part, the job of reaching people for our Lord, which the Master has entrusted to us, there remains this inescapable truth; WE MUST DO MORE! That is why every Baptist Church in North Carolina is being asked to contribute 6 cents more of the total offering plate dollar in 1956 than it gave in 1954.

The challenge to give more through the Cooperative-Program is ours! The opportunity to reach more people for Christ through this medium lies at our fingertips. God help us to be men of the hour for the glory of the Cross, giving sacrificially, working untiringly, and praying unceasingly.

K. Alvin Pitt.
